Re: Spearing v. Brightspeed of Pennsylvania, LLC  
Docket No. C-2026-3061810

Dear Secretary Homsher:

Brightspeed of Pennsylvania, LLC (“Brightspeed”) was served the above-referenced complaint on April 17, 2026. A response would have been due on or about May 6th, but per Brightspeed’s unopposed request, the Commission granted an extension from that date (to June 5<sup>th</sup>) on April 27<sup>th</sup> to file responsive pleadings. We once again, with Mr. Spearing’s consent, request more time as we work to relocate the pole.

The previous request was to allow time for Mr. Spearing’s professional land survey to confirm property line locations in mid-May. The result is that Brightspeed is preparing to relocate the pole in issue on his property to the other side of the road which requires a DoT permit from the state and coordination with a joint attacher on the pole. The process is expected to be completed within 60 days.

Thus, given the cooperation between the parties, the involvement of the state DoT and joint attacher, another unopposed extension is warranted in this case through August 7<sup>th</sup>, 2026..

Should you have any questions, please do not hesitate to contact me or Mr. Spearing.

Sincerely,

A handwritten signature in blue ink, appearing to be "S. Seab", written over a horizontal line.

Scott Seab, Esq.
