Re: Electric Generation Supplier License of Yardi Systems, LLC

Dear Ms. Farr:

On May 8, 2026, Yardi Systems Inc. filed a request with the Pennsylvania Public Utility Commission (Commission) to change the name on its license to provide electric generation services, as a broker/marketer, to Yardi Systems, LLC.

Currently, Yardi Systems Inc. is licensed as a broker/marketer to large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

Yardi Systems, LLC has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission. Furthermore, Yardi Systems, LLC has provided an update to its financial security instrument reflecting its new name.

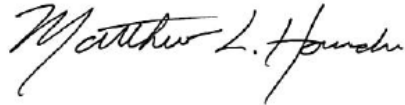

Therefore, the Commission approves, by this Secretarial Letter, the change of Yardi Systems Inc.'s name on its license for the provision of electric generation services as a broker/marketer.

The Secretary's Bureau will issue a new license to Yardi Systems, LLC the right to begin to offer, render, furnish, or supply electric generation services as a broker/marketer to large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

The Secretary's Bureau will update the company's name in its computer system and lists, as appropriate, to be Yardi Systems, LLC.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Sincerely,
