PUBLIC STATEMENT OF THE
OFFICE OF CONSUMER ADVOCATE
PURSUANT TO 71 P.S. SECTION 309-4(e)

Act 161 of the Pennsylvania General Assembly, 71 P.S. Section 309-2, as enacted July 9, 1976, authorizes the Consumer Advocate to represent the interests of consumers before the Pennsylvania Public Utility Commission (Commission). In accordance with Act 161, and for the following reasons, the Consumer Advocate determined to intervene in the proceedings before the Commission involving Pike County Light and Power Company (Pike or the Company).

On June 1, 2026, Pike filed its Petition for Approval of Default Service Plan for the Period June 1, 2027, to May 31, 2030 pursuant to 66 Pa. C.S. Section 2807(e) of the Pennsylvania Public Utility Code, the Commission's Default Service Regulations and the Commission's Policy on Default Service. Pike proposes to acquire supply for residential customers primarily through spot market purchases from the New York Independent System Operator. Additionally, consistent with its existing Default Service Plan, Pike proposes to continue using a financial hedging strategy for a portion of its default supply for the purpose of reducing price volatility. This will entail the use of financial products (energy swaps) which will convert hourly priced electricity to fixed price electricity.

The Consumer Advocate determined to intervene in this proceeding to protect the interests of the Companies' residential customers. The Consumer Advocate will seek to ensure that any default service rates that are approved as a result of this proceeding are just and reasonable, consistent with Pennsylvania law and meet the requirements of Act 129.
