RE: Cancellation of Certificate of Public Convenience M-2026-3061408

Respondent:

By Secretarial Letter dated April 16, 2015, the Commission cancelled the authority of McWee N Sons LLC at Case Docket No. M-2026-3061408 because it was not in compliance with the insurance requirements of 66 Pa.C.S. § 512.

This Commission has the power to rescind a Secretarial Letter in light of newly discovered evidence or a change of circumstances which justify reconsideration. It has come to our attention that a discontinuance request was filed for this authority at Case Docket No. A-2026-3063119, with this Commission.

The Certificate of Public Convenience at Docket No. A-2025-3052752, Utility code A-8927633, remains cancelled.

The Commission is requesting the Pennsylvania Department of Transportation to lift any administrative holds on respondent's vehicle registration.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
