REVISED SCHEDULING ORDER

By Scheduling Order dated December 30, 2025, a litigation schedule was established for this proceeding which culminated in evidentiary hearings being conducted on September 30, 2026 and October 1, 2026. By e-mail dated June 9, 2026, I was informed by counsel for the Commission’s Bureau of Investigation and Enforcement (BI&E) that the parties were engaged in settlement negotiations and were jointly requesting that the litigation schedule be extended by approximately three months to allow additional time for settlement discussions. I informed the parties that I was fine with the proposed extension of the litigation schedule and that I appreciated the parties’ continued efforts in trying to negotiate a resolution of this proceeding. Accordingly, the following revised litigation schedule is adopted in this proceeding:
