1. Before your application can be processed further, you are required to provide an acceptable description of the proposed service area. Language such as, "to Hazelton Area School District Schools" is insufficiently specific. If you wish to restrict your service to specified school districts you may do so, but you must be specific about which districts you will transport to.

YOU SHOULD ONLY SPECIFY AREAS FROM WHICH YOU WISH TO ORIGINATE SERVICE.

Answer

To transport passenger in paratransit services from points within Luzerne County to Hazleton area school district schools and vice versa.

2. Attached supporting documentation for the statement of financial position.
