

**APPLICANT'S STATEMENT IN SUPPORT OF
EMERGENCY TEMPORARY AUTHORITY**

I, Jose Valera, being duly authorized to act on behalf of WeDriveU, Inc., submit this statement in support of WeDriveU's Application for Emergency Temporary Authority (ETA) before the Pennsylvania Public Utility Commission.

WeDriveU has been awarded a contract to provide passenger transportation management and operating services for Villanova University located in Radnor Township, Delaware County, Pennsylvania. Pursuant to the contract, WeDriveU is scheduled to commence transportation operations on or about July 1, 2026.

The transportation services are required to support Villanova University's campus transportation program for students, faculty, staff, and other authorized passengers. The vehicles utilized in providing these services are owned by Villanova University and will be operated and managed by WeDriveU under the terms of the parties' transportation services agreement.

The scheduled commencement of service does not allow sufficient time for the processing and issuance of permanent operating authority through the Commission's standard application procedures. Absent the grant of Emergency Temporary Authority, Villanova University may experience a disruption in the continuity of its transportation operations pending issuance of permanent authority.

WeDriveU is fully prepared to commence operations immediately upon approval of Emergency Temporary Authority. The company has qualified personnel available to manage and operate the service and will maintain all insurance and regulatory requirements applicable to its operations.

Granting Emergency Temporary Authority will allow the uninterrupted continuation of Villanova University's transportation program while WeDriveU's application for permanent Contract Carrier authority is pending before the Commission.

Accordingly, WeDriveU respectfully requests that the Pennsylvania Public Utility Commission grant Emergency Temporary Authority to permit WeDriveU to provide passenger transportation services under contract with Villanova University pending final disposition of its application for permanent authority.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.
