RE: Application of Star Medical Transport Services, LLC, t/a LifeMed, 401 E. Hunting Park Ave., Philadelphia, PA 19124. 215-6946757

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2026-3062692 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

On April 27, 2026, the applicant submitted an application request to expand its paratransit operation. In its filing the applicant chose to submit an application which omitted pages 4-8 of the Commission's provided application form. On May 13, 2026, the applicant was issued a request to furnish the outstanding application pages.

The applicant's response was received on May 16, 2026. A complete review of the record has determined that the applicant has failed to present the minimum amount of information necessary for the Commission to determine its fitness to expand its existing services. The request for a current balance sheet is the sole item on page 8 of the Commission's Paratransit application, and it has been omitted from both the applicant's initial filing and its subsequent corrective filing. As such, the applicant has failed to present suitable financial records for the Commission's consideration.

For these reasons the application is DISMISSED and DENIED
