A-2026-3062367

TO ALL PARTIES OF RECORD

Application of Verizon Pennsylvania LLC for approval to alter the public crossing (DOT 148 435 G) by the installation of an aerial fiber optic wireline where State Route 3009 (Kushequa Street) crosses, at grade, one (1) track of Buffalo & Pittsburgh Railroad, Incorporated located in Mount Jewett Borough, McKean County.

To Whom It May Concern:

By application filed with the Commission on May 7, 2026, Verizon Pennsylvania LLC seeks Commission approval to alter the public crossing (DOT 148 435 G) by installation of an aerial fiber optic wireline where State Route 3009 (Kushequa Street) crosses, at grade, one (1) track of Buffalo & Pittsburgh Railroad, Incorporated located in Mount Jewett Borough, McKean County.

Verizon Pennsylvania LLC will install an aerial fiber optic wireline and attach to existing poles. The installation will provide a minimum vertical clearance of 25 feet above the top of rail.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Verizon Pennsylvania LLC, states that the proposed installation is necessary to provide subsidized broadband. Verizon Pennsylvania LLC will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the facilities, at its sole cost and expense. The cost of the project is anticipated to be approximately \$10,000.00.

All work is to be performed in accordance with the plans entitled: "EXHIBIT A," consisting of two (2) sheets submitted to the Commission with the application.

Verizon Pennsylvania LLC has served a copy of the application and plans on the Pennsylvania Department of Transportation, Mount Jewett Borough, McKean County and Buffalo & Pittsburgh Railroad, Incorporated. All parties in interest were queried by letter dated May 19, 2026, sent by electronic mail as to any objection to the subject application and plans. None of the parties have responded with any objection to the subject application or plans.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that the alteration of the crossing is necessary and proper for the service, accommodation, convenience or safety of the public.

The application of Verizon Pennsylvania LLC is approved as herein directed:

1. The caption of the subject proceeding is hereby revised as shown herein.
2. The public crossing (DOT 148 435 G) where State Route 3009 (Kushequa Street) crosses, at grade, one (1) track of Buffalo & Pittsburgh Railroad, Incorporated in Mount Jewett Borough, McKean County be altered generally in accordance with the installation plans entitled: "EXHIBIT A" consisting of two (2) sheets provided to the Commission on May 7, 2026; which plans are made part hereof and is hereby approved except insofar as it may relate to the division of work, deletion of work, or the allocation of costs and expenses incident to the installation of the project.
3. Verizon Pennsylvania LLC, at its sole cost and expense, furnish all material and perform all work necessary to alter the crossing by the installation of an aerial fiber optic wireline within the right-of-way of the highway where State Route 3009 (Kushequa Street) crosses, at grade, one (1) track of Buffalo & Pittsburgh Railroad, Incorporated, all in accordance with the approved plans and this Secretarial Letter.
4. Verizon Pennsylvania LLC, at its sole cost and expense, furnish all material and perform all work necessary to establish and maintain any detours or traffic controls that may be required to properly and safely accommodate highway and pedestrian traffic during the time the crossing is being altered.
5. Any relocation of, changes in and/or removal of any adjacent structures, equipment or other facilities of any non-carrier public utility, other than Verizon Pennsylvania LLC, which may be required as incidental to the alteration of the crossing, be made by said public utility at its initial cost, and in such a manner as will not interfere with the alteration of the crossing; and such relocated or altered facilities thereafter be maintained by said public utility, at its sole cost and expense.

6. Buffalo & Pittsburgh Railroad, Incorporated, at the sole cost and expense of Verizon Pennsylvania LLC, furnish all material and perform all work relating to its facilities which may be required as incidental to the performance of the proposed work and furnish any watchmen, flagmen, inspectors and/or engineering services that may be deemed necessary to protect the railroad's operations or facilities during the time the facilities are being installed.

7. Verizon Pennsylvania LLC, at its sole cost and expense, furnish all material and perform all work necessary to complete the remainder of the project, and any other ancillary features of the project, generally in accordance with the approved plans and this Secretarial Letter.

8. The alteration of the crossing be completed on or before June 30, 2027, and that on or before said date Verizon Pennsylvania LLC, report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plans and this Secretarial Letter.

9. Verizon Pennsylvania LLC, at its sole cost and expense, pay all compensation for damages, if any, due to owners of property taken, injured or destroyed by reason of the alteration of the crossing in accordance with this Secretarial Letter.

10. All parties involved herein cooperate fully with each other so that during the time the work is being performed, vehicular, pedestrian and railroad traffic will not be endangered or unnecessarily inconvenienced, and so that the requirements of each of the parties will be provided for and accommodated insofar as possible.

11. Verizon Pennsylvania LLC cooperate with the non-carrier utilities involved, so that during the alteration of the involved crossing, the facilities of the non-carrier utilities will not be endangered or unnecessarily interrupted.

12. Verizon Pennsylvania LLC, at least ten (10) days prior to the start of work, notify all parties in interest of the actual date on which work will begin.

13. Upon completion of the alteration of the crossing, Verizon Pennsylvania LLC, at its sole cost and expense, furnish all material and perform all work necessary thereafter to maintain their aerial fiber optic wireline and any ancillary facilities installed in accordance with the approved plans and this Secretarial Letter.

14. Upon completion of the alteration of the crossing, Buffalo & Pittsburgh Railroad, Incorporated, at its sole cost and expense, furnish all material and perform all work necessary to maintain its railroad facilities at the subject crossing, including the warning devices and all appurtenant equipment; and maintain at all times in a smooth and satisfactory condition the crossing surface located between the rails and for a distance of twenty-four (24) inches beyond the outermost rails, all in accordance with Part 8 of the Manual on Uniform Traffic Control Devices and this Secretarial Letter, and provide Pennsylvania Department of Transportation and Mount Jewett Borough at least ten (10) business days' advance notice when performing any work that may affect their facilities, as directed by this paragraph.

15. Upon completion of the alteration of the crossing, Pennsylvania Department of Transportation, at its sole cost and expense, furnish all material and do all work necessary thereafter to maintain the highway approach roadway of the subject crossing to points twenty-four (24) inches beyond each outside rail and in addition, maintain the grade crossing advance warning signs, stop lines and pavement markings, if required, all in accordance with Part 8 of the Manual on Uniform Traffic Control Devices and this Secretarial Letter, and provide Buffalo & Pittsburgh Railroad, Incorporated and Mount Jewett Borough at least ten (10) business days' advance notice when performing any work that may affect their facilities, as directed by this paragraph.

16. Upon completion of the work herein directed, and upon written request from any party of record, this proceeding be scheduled for a hearing at a time and place to be determined by the Commission, for the purpose of taking testimony upon the final allocation of any remaining costs incurred by the non-carrier utility companies and other matters relevant to this proceeding.

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail.
