Re: Level 3 Telecom Data Services LLC
 Revisions to Competitive Local Exchange Service Tariff

Dear Ms. Crichton:

Commission Staff reviewed the tariff revisions, referenced below. Suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code, the tariff revisions are effective by operation of law according to the effective dates contained on each page, and the case will be closed. However, this does not constitute a determination that the revisions are just, lawful, and reasonable, but only that suspension or further investigation does not appear warranted at this time, and is without prejudice to any formal complaints timely filed against said tariff revisions.

Supplement	Tariff	Description	Filed	Effective
16	2	Proposing to implement an increase to month-to-month rates for certain legacy services. In conjunction with this change, term plans that are no longer offered have been removed to eliminate obsolete references and improve clarity.	02/26/2025	04/01/2026

In accord with Docket No. M-00981052 and our Secretarial Letters issued September 28, 2000, and November 30, 2001, a Pennsylvania telecommunications carrier is required to maintain its most current Commission-approved tariff and any pending tariff supplements on its website with a link to the Commission’s website. However, staff was unable to access the Company’s current tariff online. **Therefore, within 10 days of the date of this letter, the Company is directed to update its online tariffs and provide confirmation to Commission staff listed below.**

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition with the Commission within 20 days of the date of this letter. If you have any questions in this matter, please contact Ryan Kravitz, Telco Section, Bureau of Technical Utility Services at (717) 783-5941 or rykravitz@pa.gov.

Sincerely,

Matthew L. Homsher
