Re: **Columbia Gas of Pennsylvania, Inc. – Rider Distribution System Improvement Charge (“DSIC”) – Filing Quarterly Update Pursuant to 66 Pa.C.S. §§ 1357(a)(2) and 1357(d)(3) Docket No. _____**

Dear Mr. Homsher:

In its Supplemental Update Order in Docket No. M-2012-2293611 issued on September 21, 2016, the Commission directed that utilities should continue to file quarterly DSIC updates reflecting the eligible property placed into service associated with repair, replacement or improvement during the stay-out period. Accordingly, Columbia submits its update of DSIC-eligible property placed into service that was associated with a repair, replacement or improvement for the months March 2026 through May 2026, the costs of which are being recovered through base rates.

As noted in the December 19, 2025 filing, Columbia continues to implement and refine systematic and process enhancements to ensure timely and accurate classification of DSIC-eligible plant additions.
