Re: Application for the Abandonment of Electric Generation Supplier License for  
Insight Sourcing Group LLC

Dear Mr. Kemp:

On April 10, 2026, Insight Sourcing Group LLC (Insight Sourcing) filed an application to abandon its Electric Generation Supplier (EGS) license as a broker/marketer in Pennsylvania. Insight Sourcing was issued an EGS license on October 28, 2021, to serve small commercial (25 kW and under demand), large commercial (over 25 kW demand), and industrial customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

There are no outstanding fines pending against Insight Sourcing. There are also no outstanding formal or informal complaints and Insight Sourcing does not serve any customers.

Based on the foregoing, the notification provisions under 52 PA Code Section 54.41(b) are waived, as are the notification provisions in the Interim Guidelines Regarding Notification by an EGS of Operational Changes Affecting Customer Service and Contracts, at Docket No. M-00960890F0013.

We believe that the relinquishment and abandonment of Insight Sourcing license will have no impact on the public, EDCs, or default service providers. Therefore, the Commission approves, by this Secretarial Letter, Insight Sourcing's application to abandon its EGS License at Docket No. A-2021-3027472 and its license is cancelled.

The Secretary's Bureau shall remove the company's name from all active utility lists maintained by the Commission. The Bureau of Administrative Services shall remove the company from all assessment lists. Additionally, if there are no outstanding claims against Insight Sourcing's financial security sixty (60) days after the service date of this letter, the Secretary's Bureau shall return Insight Sourcing financial security instrument.

If you have any questions in this matter, please contact Lee Yalcin of the Bureau of Technical Utility Services at [lyalcin@pa.gov](mailto:lyalcin@pa.gov) or 717-787-6723.

Sincerely,
