

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

In re: Motion of Extension of Time for MC A-6428674

Docket No. A-2026-3060725

MOTION FOR EXTENSION OF TIME

AND NOW, comes Kristina Fahl, CEO at Shuttlebee Shuttles, Inc. (“Movant”), by and through the undersigned, and pursuant to Section 1.15 of the Commission’s Rules of Practice and Procedure, 52 Pa. Code § 1.15, respectfully requests a brief extension of time within which to complete and file its Form E. In support of this Motion, Movant states as follows:

1. On April 20, 2026, the Commission approved the above-referenced matter, establishing the timeframe within which Movant is to complete and file its Form E.
2. Based on the timing of that approval, Movant had expected to be able to complete and submit the Form E work within the prescribed period.
3. Since that time, the undersigned has been on travel and, as a result, has been unexpectedly unable to advance the Form E work as anticipated. The combination of these travel obligations and the timing of the approval has made it impractical to complete the filing within the current deadline.
4. Movant therefore respectfully requests an extension of time, up to and including [requested date], within which to complete and file the Form E. This Motion is filed before the expiration of the current deadline.
5. Good cause exists for the requested extension. The extension is sought in good faith and not for purposes of delay, no party will be prejudiced by the brief extension requested, and granting the extension will allow Movant to submit a complete and accurate filing.

WHEREFORE, Movant respectfully requests that the Commission grant this Motion and extend the time for completing and filing the Form E up to and including July 25, 2026.

Respectfully submitted,

Kristina Fahl
