INTERIM ORDER
GRANTING MOTION FOR A PROTECTIVE ORDER

On March 27, 2026, UGI Utilities, Inc. – Electric Division (“UGI Electric”) filed proposed Supplement No. 92 to UGI Electric Tariff - Pa. P.U.C. No. 6, seeking a general rate increase containing proposed changes in rates, rules, and regulations calculated to produce \$17.283 million (11.89%) in additional annual revenues.

On March 31, 2026, the Bureau of Investigation and Enforcement (“I&E”) filed a Notice of Appearance.

On April 7, 2026, the Office of Small Business Advocate (“OSBA”) filed a Formal Complaint at C-2026-3061591.

Also, on April 7, 2026, Mary Hibbard filed a Formal Complaint at C-2026-3061790.

On April 8, 2026, the Office of Consumer Advocate (“OCA”) filed a Formal Complaint at C-2026-3061676.

Also, on April 8, 2026, the Commission on Economic Opportunity (“CEO”) filed a Petition to Intervene.

On April 9, 2026, Kory Boothe filed a Formal Complaint at C-2026-3061698.

On April 16, 2026, the Commission issued an order, pursuant to 66 Pa. C.S. §1308(d), that suspended the filing by operation of law until January 1, 2027, unless otherwise directed by Order of the Commission.

On May 6, 2026, Elizabeth Saxton filed a formal complaint at C-2026-3062281.

The Prehearing Conference convened as scheduled on May 7, 2026. Counsels for UGI Electric, I&E, OCA, OSBA and CEO (“collectively referred to as Parties”) were in attendance.

On May 29, 2026, a Prehearing Order was entered consolidating the complaints of the statutory advocates and Kory Boothe, Mary Hibbard and Elizabeth Saxton. In addition, the Petition to Intervene filed by CEO was granted. The litigation schedule was also established.

In addition, it was ordered that an in-person public input hearings were scheduled for 1:00 p.m. and 6:00 p.m. on June 10, 2026, at the Courtyard by Marriott Wilkes-Barre Arena, 879 Schecter Drive, Wilkes Barre, Pennsylvania, and that telephonic public input hearings were scheduled for June 11, 2026, at 1:00 p.m. and 6:00 p.m.

On May 29, 2026, UGI Electric filed a Motion for A Protective Order. In its Motion, UGI Electric averred that the Parties have engaged in discovery where proprietary information within the definition of 52 Pa. Code § 5.365 has been requested or shared. UGI Electric averred that the treatment of such information as set forth in the proposed Protective Order is justified because the information sought is customarily treated as sensitive, proprietary or highly confidential and unrestricted disclosure of this information would not be of public interest. UGI Electric further averred that these considerations constitute cause for the

restrictions specified in 52 Pa. Code § 5.365 and in Administrative Law Judge or Commission Orders granting relief pursuant to the regulation.

Under 52 Pa. Code §§ 5.362(a)(7) and 5.365, the Office of Administrative Law Judge or the Commission may issue a Protective Order to limit or prohibit disclosure of Proprietary Information where the potential harm to a participant would be substantial and outweighs the public's interest in having access to proprietary information. In applying this standard, relevant factors to be considered include: the extent to which disclosure would cause unfair economic or competitive damage; the extent to which the information may already be known by others; and the potential value of such information to the participant and the participant's competitors and trade partners. 52 Pa. Code §§ 5.365(a)(1) – (3).

UGI Electric has also averred that the documents sought to be protected by its proposed order also may contain proprietary information as described in 66 Pa. C.S. § 335(d), which provides:

if a document contains trade secrets or proprietary information and it has been determined by the commission that harm to the person claiming the privilege would be substantial or if a document required to be released under this section contains identifying information which would operate to the prejudice or impairment of a person's reputation or personal security, or information that would lead to the disclosure of a confidential source or subject a person to potential economic retaliation as a result of their cooperation with a commission investigation, or information which, if disclosed to the public, could be used for criminal or terroristic purposes, the identifying information may be expurgated from the copy of the document made part of the public record.

66 Pa.C.S. § 335(d).

UGI Electric has also averred that it has consulted with the active parties and intervenors in this proceeding and there were no objections to the proposed Protective Order. Under the circumstances, it appears that treatment of such information as set forth in the proposed Protective Order is justified under 66 Pa.C.S. § 335(d). Accordingly, UGI Electric's

Motion for A Protective Order will be granted and the protective order attached to its Motion will be adopted.

THEREFORE,

IT IS ORDERED THAT:

1. The Motion for A Protective Order filed by UGI Utilities, Inc. – Electric Division is hereby granted with respect to all materials and information identified in Paragraphs 2 and 3 below, which are or will be filed with the Commission, produced in discovery, or otherwise presented during the above-captioned proceeding and all proceedings consolidated with it. All people now or hereafter granted access to the materials and information identified in Paragraphs 2 and 3 of this Protective Order shall use and disclose such information only in accordance with this Order.

2. The information subject to this Protective Order is all correspondence, documents, data, information, studies, methodologies, and other materials furnished in this proceeding, which are believed by the producing party to be of a proprietary or confidential nature and which are so designated by being marked “CONFIDENTIAL,” “HIGHLY CONFIDENTIAL,” or “CONFIDENTIAL SECURITY INFORMATION.” Such materials and information will be referred to below as “Proprietary Information.” When a statement or exhibit is identified for the record, the portions thereof that constitute Proprietary Information shall be designated as such for the record.

3. The parties may designate as “CONFIDENTIAL” those information materials which customarily are treated by that party as sensitive or proprietary, which are not available to the public, and which, if disclosed freely, would subject that party or its clients to risk of competitive disadvantage or other business injury. The parties may designate as “HIGHLY CONFIDENTIAL” those information and materials that are of such a commercially sensitive nature among the parties or of such a private, personal nature that the producing party is

able to justify a heightened level of confidential protection with respect to those materials. The parties shall endeavor to limit their designation of information and materials as HIGHLY CONFIDENTIAL. The parties agree that materials containing specific, individual customer information shall be identified as HIGHLY CONFIDENTIAL and that the producing party may seek, via motion or objection, the right to impose further restrictions on access. The parties may designate as “CONFIDENTIAL SECURITY INFORMATION” those information and materials, as defined in Section 2 of Act 156 of 2006, P.L. 1425, No. 156, 35 P.S. § 2141.2 *et seq.* “The Public Utility Confidential Security Information Disclosure Protection Act,” the disclosure of which creates a reasonable likelihood of endangering the physical security of public utility resources, infrastructure, facility, or information storage system; and information regarding computer hardware, software, and networks, including administrative and technical records, which, if disclosed, would be reasonably likely to jeopardize computer security. If the material contains “CONFIDENTIAL SECURITY INFORMATION,” the parties producing such information shall mark on each page containing information the words “HIGHLY CONFIDENTIAL – CSI – CONTAINS CONFIDENTIAL SECURITY INFORMATION – DO NOT RELEASE.”

4. Proprietary Information shall be made available to counsel for a party who has entered an appearance in this proceeding and does not have responsibilities constituting a Restricted Person, subject to the terms of this Protective Order. Such counsel shall use or disclose the Proprietary Information only for purposes of preparing or presenting evidence, cross examination, argument, or settlement discussions in this proceeding. To the extent required for participation in this proceeding, counsel for a party may afford access to Proprietary Information subject to the conditions set forth in this Protective Order.

5. Information and materials deemed as “CONFIDENTIAL” shall be made available to a “Reviewing Representative” who is a person that has signed a Non-Disclosure Certificate attached as Appendix A or Appendix B, and who is:

- (a) An attorney who has entered an appearance in this proceeding for a party or a statutory advocate pursuant to 52 Pa. Code § 1.8, if not an attorney;

(b) Attorneys, paralegals, and other employees associated for purposes of this case with an attorney described in subparagraph 5(a);

(c) An expert or an employee of an expert retained by a party for the purpose of advising, preparing for, or testifying in this proceeding; or

(d) Employees or other representatives of a party appearing in this proceeding with significant responsibility for this docket.

With regard to the Bureau of Investigation and Enforcement (“I&E”), Office of Consumer Advocate (“OCA”), and Office of Small Business Advocate (“OSBA”), information and materials deemed as “CONFIDENTIAL” shall be made available to the I&E Prosecutors, OCA Attorneys, and OSBA Attorneys subject to the terms of this Protective Order. The I&E Prosecutors, OCA Attorneys, and OSBA Attorneys shall use or disclose the CONFIDENTIAL information and materials only for purposes of preparing or presenting evidence, cross examination, argument, case preparation, or settlement in this proceeding. To the extent required for participation in this proceeding, the I&E Prosecutors, OCA Attorneys, and OSBA Attorneys may afford access to CONFIDENTIAL information and materials to the Chief Prosecutor and Deputy Chief Prosecutor, the Consumer Advocate and Deputy Consumer Advocate, and the Small Business Advocate, respectively, as well as their experts, supervisors of experts, and administrative support staff without the need for the execution of a Non-Disclosure Certificate, so long as they are full-time employees of the Commission, OCA, or OSBA and are bound by all the provisions of this Protective Order by virtue of the I&E Prosecutors’, OCA Attorneys’, or OSBA Attorneys’ execution of a Non-Disclosure Certificate.

6. Information and materials deemed as “HIGHLY CONFIDENTIAL” may be provided to a “Reviewing Representative” who has signed a Non-Disclosure Certificate attached as Appendix B and who is:

(a) An attorney who has entered an appearance in this proceeding for a party or a statutory advocate pursuant to 52 Pa. Code § 1.8, if not an attorney;

(b) An attorney, paralegal, or other employee associated for purposes of this case with an attorney described in subparagraph 6(a);

(c) An outside expert or an employee of an outside expert retained by a party for the purposes of advising, preparing for, or testifying in this proceeding; or

(d) A person designated as a Reviewing Representative for purposes of HIGHLY CONFIDENTIAL information and materials.

With regard to I&E, OCA, and OSBA, information and materials deemed as “HIGHLY CONFIDENTIAL” shall be made available to the I&E Prosecutors, OCA Attorneys, and OSBA Attorneys subject to the terms of this Protective Order. The I&E Prosecutors, OCA Attorneys, and OSBA Attorneys shall use or disclose the HIGHLY CONFIDENTIAL information and materials only for purposes of preparing or presenting evidence, cross examination, argument, or settlement in this proceeding. To the extent required for participation in this proceeding, the I&E Prosecutors, OCA Attorneys, and OSBA Attorneys may afford access to HIGHLY CONFIDENTIAL information and materials to the Chief Prosecutor and Deputy Chief Prosecutor, the Consumer Advocate and Deputy Consumer Advocate, and the Small Business Advocate, respectively, as well as their experts, supervisors of experts, and administrative support staff without the need for the execution of a Non-Disclosure Certificate, so long as they are full-time employees of the Commission, OCA, or OSBA and are bound by all the provisions of this Protective Order by virtue of the I&E Prosecutors’, OCA Attorneys’, or OSBA Attorneys’ execution of a Non-Disclosure Certificate.

Provided, further, that in accordance with the provisions of Sections 5.362 and 5.365(e) of the Commission’s Rules of Practice and Procedure, 52 Pa. Code §§ 5.362 and 5.365(e), any party may, by subsequent objection or motion, seek further protection with respect to HIGHLY CONFIDENTIAL information and materials, including, but not limited to, total prohibition of disclosure or limitation of disclosure only to particular parties.

7. Information and materials deemed as “CONFIDENTIAL SECURITY INFORMATION” may be provided to a “Reviewing Representative” who has signed a Non-Disclosure Certificate attached as Appendix B and who is:

- (a) An attorney who has entered an appearance in this proceeding for a statutory advocate pursuant to 52 Pa. Code § 1.8, or a statutory advocate if not an attorney;
- (b) An attorney, paralegal, or other employee associated for purposes of this case with an attorney described in subparagraph 7(a); or
- (c) An outside expert or an employee of an outside expert retained by a statutory advocate for the purposes of advising, preparing for, or testifying in this proceeding.

CONFIDENTIAL SECURITY INFORMATION will only be provided for inspection via in-person review at the offices of Post & Schell, P.C., 17 N. Second Street, 12th Floor, Harrisburg, PA 1701, or upon request of a statutory advocate or an attorney for a statutory advocate, at another location in the Harrisburg-metro area of the Commonwealth, between the hours of 9 A.M. to 5 P.M., Monday through Friday. Such review may be proctored, and the Reviewing Representatives are prohibited from reproducing such information in any form without the prior authorization of UGI Electric’s counsel (including taking detailed notes, making photocopies, or taking pictures). If a statutory advocate determines that it is necessary to use CONFIDENTIAL SECURITY INFORMATION as part of their presentation of evidence in this proceeding, such statutory advocate shall request a copy from counsel for UGI Electric, which permission shall not be unreasonably withheld and subject to that party confirming it understands and will abide by the terms of this Protective Order concerning use of such materials.

With regard to I&E, OCA, and OSBA, information and materials deemed as “CONFIDENTIAL SECURITY INFORMATION” shall be made available to the I&E Prosecutors, OCA Attorneys, and OSBA Attorneys, subject to the terms of this Protective Order. The I&E Prosecutors, OCA Attorneys, and OSBA Attorneys shall use or disclose the CONFIDENTIAL SECURITY INFORMATION only for purposes of preparing or presenting

evidence, cross examination, argument, case preparation, or settlement in this proceeding. To the extent required for participation in this proceeding, the I&E Prosecutors, OCA Attorneys, and OSBA Attorneys may afford access to CONFIDENTIAL SECURITY INFORMATION, only to the Chief Prosecutor and Deputy Chief Prosecutor, the Consumer Advocate and Deputy Consumer Advocate, and the Small Business Advocate, respectively, as well as their experts, supervisors of experts, and administrative support staff without the need for the execution of a Non-Disclosure Certificate, so long as they are full-time employees of the Commission, OCA, or OSBA and are bound by all the provisions of this Protective Order by virtue of the I&E Prosecutors', OCA Attorneys', or OSBA Attorneys' execution of a Non-Disclosure Certificate.

Provided, further, that in accordance with the provisions of Sections 5.362 and 5.365(e) of the Commission's Rules of Practice and Procedure, 52 Pa. Code §§ 5.362, 5.365(e), any party may, by subsequent objection or motion, seek further protection with respect to CONFIDENTIAL SECURITY INFORMATION, including, but not limited to, total prohibition of disclosure or limitation of disclosure only to particular parties.

8. For purposes of this Protective Order, a Reviewing Representative may not be a "Restricted Person."

(a) A "Restricted Person" shall mean: (i) an officer, director, stockholder, partner, or owner of any competitor of the parties or an employee of such an entity if the employee's duties involve marketing or pricing of the competitor's products or services; (ii) an officer, director, stockholder, partner, or owner of any affiliate of a competitor of the parties (including any association of competitors of the parties) or an employee of such an entity if the employee's duties involve marketing or pricing of the competitor's products or services; (iii) an officer, director, stockholder, owner or employee of a competitor of a customer of the parties if the Proprietary Information concerns a specific, identifiable customer of the parties; and (iv) an officer, director, stockholder, owner or employee of an affiliate of a competitor of a customer of the parties if the Proprietary Information concerns a specific, identifiable customer of the parties; provided, however, that no expert shall be disqualified on account of being a stockholder, partner, or owner unless that expert's interest in the business would provide a significant

motive for violation of the limitations of permissible use of the Proprietary Information. For purposes of this Protective Order, stocks, partnership, or other ownership interests valued at more than \$10,000 or constituting more than a 1% interest in a business establishes a significant motive for violation.

(b) If an expert for a party, another member of the expert's firm, or the expert's firm generally also serves as an expert for, or as a consultant or advisor to, a Restricted Person, said expert must: (i) identify for the parties each Restricted Person and each expert or consultant; (ii) make reasonable attempts to segregate those personnel assisting in the expert's participation in this proceeding from those personnel working on behalf of a Restricted Person; and (iii) if segregation of such personnel is impractical, the expert shall give to the producing party written assurances that the lack of segregation will in no way jeopardize the interests of the parties or their customers. The parties retain the right to challenge the adequacy of the written assurances that the parties' or their customers' interests will not be jeopardized. No other persons may have access to the Proprietary Information except as authorized by order of the Commission.

(c) The OSBA consultant will not be considered to be a Restricted Person, and Paragraphs 8(a) and 8(b) will not apply to such consultant, provided that OSBA's consultant does not share or discuss the Proprietary Information with any person except authorized OSBA representatives.

9. In the event that a party wishes to designate as a Reviewing Representative a person not described in Paragraphs 5(a) through 5(d), 6(a) through 6(c), and 7(a) through 7(c) above or a person that is a Restricted Person under Paragraph 8, the party shall seek agreement from the party providing the Proprietary Information. If an agreement is reached, that person shall be a Reviewing Representative with respect to those materials. If no agreement is reached, the party shall submit the disputed designation to the presiding Administrative Law Judges for resolution.

10. A qualified "Reviewing Representative" for "HIGHLY CONFIDENTIAL" information and materials may review and discuss "HIGHLY CONFIDENTIAL" information and materials with their client or with the entity with which they are employed or associated, to the extent that the client or entity is not a "Restricted Person," but

may not share with or permit the client or entity to review the “HIGHLY CONFIDENTIAL” information and materials. Such discussions must be general in nature and not disclose specific “HIGHLY CONFIDENTIAL” information and materials; provided, however, that counsel for I&E, the Office of Consumer Advocate, and the OSBA may share proprietary information with the I&E Director, Consumer Advocate and Deputy Consumer Advocate, and Small Business Advocate, respectively, without obtaining a Non-Disclosure Certificate from these individuals, so long as these individuals otherwise abide by the terms of the Protective Order.

11. Information deemed Proprietary Information shall not be used except as necessary for the conduct of this proceeding, nor shall it be disclosed in any manner to any person except a Reviewing Representative who is engaged in the conduct of this proceeding and who needs to know the information to carry out that person’s responsibilities in this proceeding. Reviewing Representatives may not use information contained in any Proprietary Information obtained through this proceeding to give any party or any competitor of any party a commercial advantage.

12. Reviewing Representatives shall execute a Non-Disclosure Certificate to obtain access to Proprietary Information and will be subject to the following conditions:

(a) A Reviewing Representative shall not be permitted to inspect, participate in discussions regarding, or otherwise be permitted access to Proprietary Information pursuant to this Protective Order unless that Reviewing Representative has first executed a Non-Disclosure Certificate, provided that if an attorney qualified as a Reviewing Representative has executed such a certificate, the paralegals, secretarial personnel, and clerical personnel under the attorney’s instruction, supervision, or control need not do so, nor do Commission employees assisting I&E as noted above in Paragraphs 5, 6, and 7. A copy of each Non-Disclosure Certificate shall be provided to counsel for the party asserting confidentiality prior to disclosure of any Proprietary Information to that Reviewing Representative.

(b) Attorneys and outside experts qualified as Reviewing Representatives are responsible for ensuring that persons under their supervision or control comply with the Protective Order.

13. None of the parties waive their right to pursue any other legal or equitable remedies that may be available in the event of actual or anticipated disclosure of Proprietary Information.

14. The parties shall designate data or documents as constituting or containing Proprietary Information by marking the documents “CONFIDENTIAL,” “HIGHLY CONFIDENTIAL,” or “CONFIDENTIAL SECURITY INFORMATION.” Where only part of data compilations or multi-page documents constitutes or contains Proprietary Information, the parties, insofar as reasonably practicable within discovery and other time constraints imposed in this proceeding, shall designate only the specific data or pages of documents that constitute or contain Proprietary Information. The Proprietary Information shall be served upon the parties hereto only, and the materials shall be separate from the nonproprietary materials and conspicuously marked “CONFIDENTIAL,” “HIGHLY CONFIDENTIAL,” or “CONFIDENTIAL SECURITY INFORMATION.” For filing purposes, Proprietary Information shall be filed separately from the nonproprietary materials and conspicuously marked “CONFIDENTIAL,” “HIGHLY CONFIDENTIAL,” or “CONFIDENTIAL SECURITY INFORMATION.”

15. That the Commission and all parties, including the statutory advocates and any other agency or department of state government, will consider and treat the Proprietary Information as within the exemptions from disclosure in Section 335(d) of the Public Utility Code, 66 Pa. C.S. § 335(d), and the Pennsylvania Right-to-Know Act, 65 P.S. §§ 67.101 et seq. (the “RTKL”), until such information is found by a tribunal with jurisdiction to be not confidential or subject to one or more exemptions. In the event that any person or entity seeks to compel the disclosure of Proprietary Information under Section 335(d) and/or the RTKL, the Commission and/or the party receiving such request shall promptly notify the producing party in order to provide the producing party an opportunity to oppose or limit such disclosure. None of the parties waive their right to pursue any available remedies that may be available in the event of actual or anticipated disclosure of Proprietary Information. Any public reference to Proprietary Information by a party or its Reviewing Representatives shall be to the title or exhibit reference in sufficient detail to permit persons with access to the Proprietary Information to

understand fully the reference and not more. The Proprietary Information shall remain a part of the record, to the extent admitted, for all purposes of administrative or judicial review.

16. Part of any record of this proceeding containing Proprietary Information, including but not limited to all exhibits, writings, testimony, cross examination, argument, and responses to discovery, and including reference thereto as mentioned in Paragraph 14 above, shall be sealed for all purposes, including administrative and judicial review, unless such Proprietary Information is released from the restrictions of this Protective Order, either through the agreement of the parties to this proceeding or pursuant to an order of the Commission.

17. If any person who has had access to Proprietary Information subsequently is assigned to perform any duties which would make that person ineligible to be a Reviewing Representative of said Proprietary information, that person shall immediately inform the producing Party of his/her/their new duties, shall dispose of any Proprietary Information and any information derived therefrom in his/her/their possession, and shall continue to comply with the requirements of this Stipulated Protective Agreement with regard to the Proprietary Information to which that person previously had access.

18. The parties shall retain the right to question or challenge the confidential or proprietary nature of Proprietary Information and to question or challenge the admissibility of Proprietary Information. If a party challenges the designation of a document or information as proprietary, the party providing the information retains the burden of demonstrating that the designation is appropriate.

19. The parties shall retain the right to question or challenge the admissibility of Proprietary Information; to object to the production of Proprietary Information on any proper ground; and to refuse to produce Proprietary Information pending the adjudication of the objection.

20. Information designated as CONFIDENTIAL, HIGHLY CONFIDENTIAL, and/or CONFIDENTIAL SECURITY INFORMATION shall not be

disclosed or otherwise uploaded, in whole or in part, to any artificial intelligence system (“AI”), large language model, generative AI tool, or similar machine-learning technology (including, without limitation, publicly accessible AI services or models), as such use could result in the information designated as CONFIDENTIAL, HIGHLY CONFIDENTIAL, and/or CONFIDENTIAL SECURITY INFORMATION being retained, incorporated into training data, learned, reproduced, disclosed, or made accessible to any third-party.

21. Within 30 days after a Commission final order is entered in the above-captioned proceeding, or in the event of appeals, within 30 days after appeals are finally decided, the parties, upon request, shall either destroy or return to the producing party all copies of all documents and other materials not entered into the record, including notes, which contain any Proprietary Information. In the event that a party elects to destroy all copies of documents and other materials containing Proprietary Information instead of returning the copies of documents and other materials containing Proprietary Information to the producing party, the party shall certify in writing to the producing party that the Proprietary Information has been destroyed.
