Re: ***Summer Energy Midwest, LLC***
Application Docket: A-2019-3011913; Utility Code: 1122459
2026 EGS Activity Report for Calendar Year 2025 under 52 Pa. Code § 54.201
Docket for this Report: M-2026-3059581

Dear Secretary Homsher:

We are submitting this letter on behalf of Summer Energy Midwest, LLC ("Summer Energy") in connection with the Commission's EGS activity reporting requirements under 52 Pa. Code § 54.201.

We have enclosed Summer Energy's 2026 report for calendar year 2025 on the Commission's prescribed form in public redacted and confidential formats.

Summer Energy respectfully requests confidential treatment of the confidential version of the report, as the information contained therein concerning Summer Energy's Pennsylvania operations is competitively sensitive. Disclosure of that information would provide Summer Energy's competitors both inside and outside of Pennsylvania with non-public market intelligence about Summer Energy, including its strength and position in the market. Such information would permit competitors to adjust their sales policies in a manner that might disadvantage Summer Energy and its customers.

We have also emailed copies of this report to Joseph Sherrick, David Edinger, and Megan Walter with the Commission's Bureau of Technical Utility Services.

If you have any questions, please do not hesitate to contact me at (312) 715-5089 or adam.margolin@quarles.com.

Sincerely,

QUARLES & BRADY LLP

Adam Margolin
Counsel to Summer Energy Midwest, LLC
