Re: Material Change — NGS Gas (A-2018-3002802) — Change of Ownership

Dear Secretary:

Aspen Energy Corporation ("Aspen") hereby provides notice to the Pennsylvania Public Utility Commission of a change in ownership effective April 21, 2026.

Effective April 21, 2026, Aspen was acquired by Priority Power Management, LLC ("PPM") and is now a wholly-owned subsidiary of PPM.

Aspen will continue to operate under the Aspen Energy Corporation name and will retain its existing Pennsylvania licenses and operational structure. This transaction does not result in any operational changes affecting Aspen's customers or services in Pennsylvania. Aspen also notes that it is concurrently submitting a similar notice with respect to its Pennsylvania electric generation supplier license.

Updated parent company information is provided below:

Priority Power Management, LLC
777 Post Oak Blvd Ste 430, Houston, TX 77056
(800) 221-7061
www.prioritypower.com

Please update the Commission's records accordingly. If additional information is required, please contact the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jessica Stauss', written over a horizontal line.
