**RE: Distribution System Improvement Charge - Electric
Effective July 1, 2026
M-2026-3063362**

Dear Mr. Taylor:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 31 to Tariff Electric – PA P.U.C. No. 8 and the supporting rate computations submitted on June 18, 2026 to become effective on July 1, 2026.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) for the three-month period of July 1, 2026 through September 30, 2026 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2026-3063362.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
