

BEFORE THE PENNSYLVANIA PUBLIC UTILITY COMMISSION

Joint Application of American Water Works: Company, Inc., Essential Utilities, Inc., :Docket Nos. A-2025-3058927 Aqua Pennsylvania, Inc., Aqua Pennsylvania : A-2025-3058928 Wastewater, Inc., Peoples Natural Gas : A-2025-3058929 Company LLC and Alpha Merger Sub, Inc. : PETITION FOR RECONSIDERATION OF LUIS FRANCISCO NOW COMES, Luis Francisco, Pro Se Intervenor, and respectfully petitions the Pennsylvania Public Utility Commission for Reconsideration of its Opinion and Order entered June 18, 2026, pursuant to 52 Pa. Code § 5.572. In support thereof, Intervenor states as follows: 1. On June 18, 2026, the Commission issued an Order dismissing Intervenor's claims based on an alleged failure to file a Certificate of Service or properly serve the Joint Applicants. 2. This finding constitutes a clear error of fact. Intervenor explicitly states for the record that every single document submitted in this proceeding has been properly and legally served upon the opposing parties. 3. Intervenor holds indisputable physical proof of service, including official USPS certified mail return receipts ("Green Cards") and tracking delivery confirmations, for all issued documentation. 4. The Commission's own eFiling portal now publicly reflects what was already legally and physically in the Commission's possession—documents hand-stamped "Date of Deposit: May 11, 2026" and received via Gavel Stamp on "May 14, 2026." 5. To prevent the unnecessary duplication of files or overcrowding of the electronic eFiling portal, Intervenor relies on the files that the Commission itself has now processed and published to the active docket. 6. Because Intervenor has strictly complied with 52 Pa. Code § 1.54 across all filings, dismissing this petition due to administrative delays in docketing physical mail violates due process. WHEREFORE, Intervenor Luis Francisco respectfully requests that the Commission grant this Petition for Reconsideration, vacate the dismissal portion of the June 18, 2026 Order, and permit the case to proceed on its merits. Respectfully submitted, _____ Luis Francisco, Pro Se Intervenor providence1133@gmail.com Dated: June 25, 2026
