SUPPLEMENT OF THE RECORD

On May 17, 2026, Sigel Gas LLC (a Public Utility), Knox Energy Cooperative Association, Inc., and Utility Pipeline Ltd. submitted an Application seeking Commission approval of a transaction wherein the Assets of Sigel Gas LLC (“Sigel”) would be transferred to Utility Pipeline Ltd. and then immediately thereafter be transferred to Knox Energy Cooperative Ltd. a bona fide cooperative association. Even though the transaction and the requirement that UPL immediately transfer the assets obtained from Sigel to Knox is described in the Application, there is no separate document included in the submission that creates a separate enforceable obligation for UPL to transfer the “acquired” assets to Knox. To that end, Knox and UPL have executed an Assignment Agreement that requires UPL, immediately and simultaneously upon receipt of the Assets of Sigel to transfer those assets and responsibilities to Knox. That Assignment Agreement is attached hereto and the Parties request that it supplement the record and enhance the Commission’s understanding of the transaction for which approval is requested and enshrines the intentions of

the Parties in a binding agreement. Accordingly, Sigel, UPL and Knox respectfully offer this supplement to the record of this proceeding.

Respectfully submitted,
