**INTERIM ORDER
FURTHER CONSOLIDATING COMPLAINTS AND
SETTING DEADLINES FOR FILING OF DISPOSITIVE MOTION**

A prehearing conference was convened on April 24, 2026. Complainant appeared *pro se*. The Company was represented by Margaret Morris, Esq. During the conference, I consolidated the matter at C-2025-3058717 with the consolidated matters at C-2024-3051234, *et seq.* Tr. 46.

After discussion, I determined it appropriate to set a deadline for the filing of dispositive motions or other requests for relief, as well as a deadline for the filing of a response from Complainant.

Please note, there appear to be overlapping, complex claims among the six individual consolidated Complaints. The parties should make clear, easy-to-follow arguments, with explanations and citations to the pleadings, transcripts, and relevant prior Commission cases, if appropriate, such that I will be able to follow the parties' logic and reasoning. Any motion or other request for relief should contain a discussion of the applicable statutes, regulations, and case law.

THEREFORE,

IT IS ORDERED:

1. That the matter at Docket No. C-2025-3058717 is consolidated with the matters at Docket No. C-2024-3051234 *et al.*
2. That, by **July 31, 2026**, Respondent shall file any appropriate dispositive motion or request for relief.
3. That, by **August 31, 2026**, Complainant shall file a response, if any, to any fling made pursuant to Ordering Paragraph 2.
