RE: Bond Rider
FS Energy LLC
A-2015-2507077

Dear Ms. Plotnick:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of FS Energy LLC because it is **photocopy**, and not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a "wet ink" original signature and raised seal for the Surety company.

Please file the **originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary

RE: Letter regarding bond and name change
FS Energy LLC
A-2015-2507077

Dear Ms. Plotnick:

On June 30, 2026 the Commission received your Letter regarding Bond and Name Change. Please note that if a name change has occurred, a formal name change request must be filed along with a \$350 name change filing fee.

Enclosed is a checklist for the name change application (also available on our website <https://www.puc.pa.gov/electricity/electric-companies-suppliers/supplier-application-resources/>) and your returned unfiled letter regarding bond and name change. Additionally, if your natural gas supplier license requires a name change, a separate filing and an additional \$350 name change filing fee are required.

Please return the requested document to the address listed at the top of this letter.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
