Re: Electric Generation Supplier License of NextEra Advisory, LLC d/b/a Usource

Dear Ms. Lauderdale:

On March 27, 2026, Usource, LLC (Usource) filed a request with the Pennsylvania Public Utility Commission (Commission) to change the name on its license to provide electric generation services, as a broker/marketer, to NextEra Advisory, LLC d/b/a Usource (NextEra Advisory).

Currently, Usource is licensed as Usource, LLC as a broker/marketer to small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

NextEra Advisory has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission. Furthermore, NextEra Advisory has provided an update to its financial security instrument reflecting its new name.

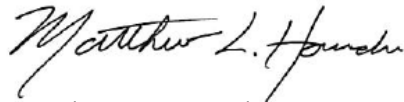

Therefore, the Commission approves, by this Secretarial Letter, the change of Usource, LLC's name on its license for the provision of electric generation services as a broker/marketer.

The Secretary's Bureau will issue a new license to NextEra Advisory, LLC d/b/a Usource the right to begin to offer, render, furnish, or supply electric generation services as a broker/marketer to small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

The Secretary's Bureau will update the company's name in its computer system and lists, as appropriate, to be NextEra Advisory, LLC d/b/a Usource.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew L. Homsher". The signature is fluid and cursive, with the first name "Matthew" being the most prominent part.
