RE: Continuous Bond
Your Choice Energy, LLC
A-2009-2129027

Dear Mr. Balsis:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Your Choice Energy, LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

Bond is filed on an outdated template. Please **revise using the most recent version of the template** (available on the Commission website and also attached).

When submitting the bond, kindly ensure that it bears **"wet ink" original signatures from both the Principal Company and the Surety company**. In addition, the bond must include the **Surety company's raised seal**.

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
