

BEFORE THE PENNSYLVANIA PUBLIC UTILITY COMMISSION

Application of Transource Pennsylvania, LLC filed
Pursuant to 52 Pa. Code Chapter 57, Subchapter G,
for Approval of the Siting and Construction of the
230 kV Transmission Line Known as Project 9A West
in a Portion of Franklin County, Pennsylvania
Docket No. A-2026-3062686

PETITION TO INTERVENE OF Allen and Lori Rice, PRO SE
TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

Pursuant to 52 Pa. Code §§ 5.71-5.76, Allen and Lori Rice (hereinafter "Petitioner") hereby files this formal Petition to Intervene, pro se, in the above-captioned proceeding, and in support thereof respectfully represents:

1. The Petitioner is an individual property owner owning real estate located at 1430 Henry Lane Chambersburg PA 17202. The affected property is officially designated as Tax Parcel ID / UPI: 10-OD08.-057.-000000.
2. Service of all papers, dockets, and communications in this proceeding should be directed to the Petitioner at the address listed above, or via email at hs.salonandwellness@gmail.com.
3. The Petitioner's interest in this proceeding is direct, substantial, and immediate. The proposed high-voltage 230 kV transmission line corridor, as planned by Transource Pennsylvania, LLC under Docket No. A-2026-3062686, threatens to physically bisect and permanently impact the Petitioner's real property.
4. **The Petitioner formally requests that this Siting proceeding be Denied.**
5. If this docket is litigated on the merits, the permanent presence of the proposed structures within the right-of-way will inflict unique, irreparable harm on the Petitioner's property, including subsurface soil compaction, interference with precision GPS field equipment, destruction of agricultural land, induced stray voltage risks to livestock, and severe diminution of property value.
6. The Petitioner's unique property and operational interests are not adequately represented by any existing participant. Participation by the Petitioner is necessary to build a localized record regarding the environmental public trust (Article I, Section 27) and structural/karst viability of this specific corridor.

WHEREFORE, the Petitioner, Allen and Lori Rice, pro se, respectfully requests that the honorable Pennsylvania Public Utility Commission grant this Petition to Intervene, and afford the Petitioner full active party status in this docket.

Respectfully submitted,
