### HISTORY OF THE PROCEEDING

On May 21, 2026, Transource Pennsylvania, LLC (Transource PA) filed an Application with the Pennsylvania Public Utility Commission, for All of the Necessary Authority, Approvals and Certificate of Public Convenience to Begin to Offer, Render, Furnish and/or Supply Transmission Service in Portions of Franklin County, Pennsylvania Necessary to Operate Transmission Facilities for Project 9A West, pursuant to Section 1101 of the Public Utility Code, 66 Pa.C.S. § 1101, to commence the provision of transmission electric service as a public utility in portions of Franklin County, Pennsylvania (CPC Application). Upon receipt of the CPC Application, the Secretary's Bureau docketed the CPC Application at Docket No. A-2026-3062675.

On May 21, 2026, Transource PA filed a separate Application seeking the Commission's approval for the siting and construction of a proposed new electric substation and double-circuit Rice-Ringgold 230 kV electric transmission line and related facilities in portions of Franklin County, Pennsylvania (Siting Application), along with a Petition for Confirmation of an Exemption from Local Zoning Regulation and for the Construction of Buildings (Zoning Exemption Petition). Upon receipt of the Siting Application and Zoning Exemption Petition, the Secretary's Bureau docketed the filings at A-2026-3062686 and P-2026-3062687, respectively.

Lastly on May 21, 2026, Transource PA filed the Motion of Transource Pennsylvania, LLC to Consolidate Proceedings and for Timely Disposition, requesting that the CPC Application, Siting Application and the Zoning Exemption Petition be formally

consolidated into a single proceeding for all purposes including hearings, briefing and a final decision by the Commission to be entered no later than February 22, 2027.

On June 3, 2026, the Commission issued two separate prehearing conference notices (June 3 Prehearing Conference Notices), one for the CPC Application, at Docket No. A-2026-3062675; and one for the Siting Application and Zoning Exemption Petition, at Docket Nos. A-2026-3062686, P-2026-3062687, respectively.

The purpose of the Prehearing Conference Notices was to alert interested parties that a prehearing conference would be held on August 19, 2026, at 10:00 AM.

The Prehearing Conference Notices also indicated that the CPC Application, Siting Application and Zoning Exemption Petition proceedings were not formally consolidated, and the issues related to, and the potential for consolidation, would be discussed at the prehearing conference.

The Prehearing Conference Notices were also published in the *Pennsylvania Bulletin* on June 13, 2026. 56 *Pa.B.* 3592 (Siting Application and Zoning Exemption Petition); 56 *Pa.B.* 3593 (CPC Application).

On June 25, 2026, the Office of Consumer Advocate (OCA) filed an Answer to Motion to Consolidate Proceedings and for Timely Disposition (herein after OCA's Answer in Opposition), opposing Transource PA's request to consolidate the CPC Application, Siting Application and Zoning Exemption Petition.

On June 25, 2026, OCA also filed a Protest to the Siting Application and an Answer to the Zoning Exemption Petition.

On July 2, 2026, Transource PA filed a letter (*July 2, 2026 Letter Request*) in response to the OCA's Answer in Opposition to inform the Commission that Transource PA: (1) intended to file and serve a timely reply to the OCA's Answer in Opposition; and, (2) requested

that the Commission publish Notice of the Motion to Consolidate Proceedings and for Timely Disposition in the *Pennsylvania Bulletin* as soon as possible and direct Transource PA to publish such Notice in newspapers of general circulation.

Also on July 2, 2026, Transource PA filed Affidavits of Publication (Affidavits) of the Notice of the Application of Transource Pennsylvania, LLC filed Pursuant to 52 Pa. Code Chapter 57, Subchapter G, for Approval of the Siting and Construction of the 230 kV Transmission Line Known as Project 9A West in a Portion of Franklin County, Pennsylvania, at Docket No. A-2026-3062686, along with Notice of the Petition of Transource Pennsylvania, LLC for Confirmation of an Exemption from Local Zoning Regulation and for the Construction of Buildings in Connection with the Construction of a Proposed Electric Substation in Greene Township, Franklin County, Pennsylvania, at Docket No. P-2026-3062687.

On July 15, 2026, Transource PA filed a document titled the Reply of Transource Pennsylvania, LLC to New Matter of Office of Consumer Advocate. The cover letter to the filing included a reiteration of the *July 2, 2026 Letter Request*.

On July 22, 2026, counsel for Transource PA emailed the undersigned Administrative Law Judges a reiteration of the *July 2, 2026 Letter Request*.

Notice of the Siting Application, the *July 2, 2026 Letter Request*, and the Reply of Transource Pennsylvania, LLC to New Matter of Office of Consumer Advocate are now ripe for discussion and disposition.

### DISCUSSION

Commission regulations and applicable statutory provisions are intended to ensure that parties and the public receive adequate notice of the claims asserted and the relief requested, while safeguarding due process. As the Commonwealth Court explained, “[c]onsiderations of due process involve common-sense reasoning and fundamental fairness. Due process is a flexible concept incapable of exact definition, and is concerned with the

procedural safeguards demanded by each particular situation in light of the legitimate goals of the applicable law.” *Commonwealth v. 2338 N. Beechwood St. Phila.*, 134 A.3d 507 (Pa. Cmwlth. 2016).

### ***Notice of the Siting Application***

Upon review of the Affidavits attesting to the Siting Application Notice under the applicable legal standards set forth in Sections 57.74 and 57.75 of Commission regulations, 52 Pa. Code §§ 57.74, 57.75, Transource PA’s Notice of the Siting Application, as published, was deficient in several respects.

For example, Section 57.74(d) provides:

On the day of filing of the application, the applicant shall make a copy of the application available for public examination during ordinary business hours at a convenient location within a county in which any part of the proposed HV line will be located.

52 Pa. Code § 57.74(d).

Together with Section 57.75(a), which provides:

Upon the filing of an application, the Commission will set the time and place for hearing or hearings of the application and will thereupon require the applicant to cause the weekly publication for two consecutive weeks of a notice of hearing in a newspaper of general circulation within each municipality in which the HV line is proposed to be located. The publication of the notice of hearings shall begin at least 45 days before the date set for the commencement of the hearings. The notice of hearing for publication shall contain a brief description of the proposed HV line, its location, a statement of the date, time and place of the hearing and of its purpose and a statement as to where and when a copy of the application is available for public examination.

52 Pa. Code § 57.75(a).

However, the Siting Application Notice:

- Failed to identify the time and place for the prehearing conference set by the Commission, as the Affidavits did not identify that any notice of the scheduled prehearing conference was provided;
- Failed to be published weekly for two consecutive weeks, as the Affidavits identified Notice as published on Monday, June 15, 2026, in The Public Opinion, and on June 17, 2026, Wednesday of the same week of June 15, 2026, in the Waynesboro Record Herald;
- Failed to be published in newspapers of general circulation within each municipality (emphasis added), as the Affidavits identified publication only in Waynesboro and Chambersburg and was silent as to publication in Greene, Guilford and Quincy Townships;
- Failed to begin publication of the notice of the prehearing conference at least 45 days before prehearing conference date of August 19, 2026, as the Affidavits did not identify that any notice of the prehearing conference was provided;
- Failed to contain a brief description of the proposed HV line, its location, a statement of the date, time and place of the prehearing conference and of its purpose, as the Affidavits did not indicate that any description of the proposed HV line, its location, or a statement of the date, time and place, or the purpose of, the scheduled prehearing conference was provided; and
- Failed to identify where a complete copy of the Application is available for public examination during ordinary business hours at a convenient location within (emphasis added) Franklin County, Pennsylvania, as the Siting Application Notice identified the Application as available ONLY (emphasis in original) online for inspection and copying on the Commission's website and "at the Applicant's

business address,” of 1 Riverside Plaza, Columbus, Ohio, which is not a location within Franklin County, Pennsylvania.

Given the deficiencies of the initial notice, it is necessary to direct Transource PA to republish Notice of the Siting Application and Zoning Exemption Petition, along with the date and time set aside for the prehearing conference as more fully described below.

***Transource PA’s filings and OCA’s response***

***Motion of Transource Pennsylvania, LLC to Consolidate Proceedings and for Timely Disposition***

Section 5.1 of the Commission regulations, “pleadings allowed,” provides, in pertinent part, as follows:

(a) The pleadings in an action before the Commission include the following:

- (1) Application and protest.
- (2) Formal complaint, answer, new matter and reply to new matter.
- (3) Order to show cause and answer.
- (4) Petition and answer.
- (5) Preliminary objections.
- (6) Motions.

52 Pa. Code § 5.1 (a).

Here, on May 21, 2026, Transource PA filed the Motion of Transource Pennsylvania, LLC to Consolidate Proceedings and for Timely Disposition, requesting that the CPC Application, Siting Application and the Zoning Petition be formally consolidated into a

single proceeding for all purposes including hearings, briefing and a final decision by the Commission to be entered no later than February 22, 2027.

The filing captioned “Motion to Consolidate Proceedings and for Timely Disposition” met, in part, the requirements of Section 5.103, 52 Pa. Code § 5.103, inasmuch as it requested that the CPC Application, Siting Application and the Zoning Petition be formally consolidated into a single proceeding for all purposes including hearings, briefing and a final decision by the Commission, and provided legal authority in support of the requested relief as to consolidation. *See* Motion of Transource Pennsylvania, LLC to Consolidate Proceedings and for Timely Disposition at ¶ 10 & n.2, ¶ 11 & n.3, ¶ 13.

As for the requested relief “for timely disposition,” to the extent that Transource PA intended this portion of the document title, together with Paragraph 14 of the filing, to amount to a petition for the Commission to grant expedited consideration of the Siting Application, pursuant to Section 57.75(g) of Commission regulations, 52 Pa. Code § 57.75(g), the request is denied, without prejudice, for Transource PA’s failure to comply with applicable Commission regulations.

No notice to plead accompanied the Motion of Transource Pennsylvania, LLC to Consolidate Proceedings and for Timely Disposition filing.

#### *Disposition*

Consideration of and ruling on the Motion of Transource Pennsylvania, LLC to Consolidate Proceedings and for Timely Disposition will be held in abeyance until after all interested parties are given the opportunity to respond, either by answering or objecting to, the Motion, including any arguments presented at the Prehearing Conference.

#### ***OCA’s Answer Opposing Transource PA’s Motion to Consolidate and for Timely Disposition***

Here, Transource PA filed the Motion of Transource Pennsylvania, LLC to Consolidate Proceedings and for Timely Disposition, and, upon the filing of the Motion, a party, here the OCA, had the right to answer or object to the Motion. 52 Pa. Code § 5.103(c).

The OCA filed its response: Answer Opposing Transource PA's Motion to Consolidate and for Timely Disposition (Answer in Opposition) on June 25, 2026, in accordance with Sections 5.61 and 5.103 of Commission regulations. 52 Pa. Code §§ 5.61, 5.103.

In its Answer in Opposition, the OCA cited, in part, an Opinion and Order of the Commission entered June 1, 2026, in another matter pending before the Commission to support its argument opposing consolidation of the CPC Application, and the Siting Application and Zoning Petition.<sup>1</sup> In so doing, the OCA provided legal argument and intervening authority in response to Transource PA's Motion. This is appropriate advocacy.

#### *Disposition*

Stated differently, the OCA's Answer in Opposition did not constitute new matter. Citing intervening authority did not create a procedural right for Transource PA, or any other party, to file an additional reply without leave.

#### ***The July 2, 2026 Letter Request***

Here, Transource PA filed a letter on July 2, 2026, (*July 2, 2026 Letter Request*) in response to the OCA's Answer in Opposition.

The *July 2, 2026 Letter Request* "informs" the presiding Administrative Law Judges (ALJs) that Transource PA intended to file and serve a timely reply to the OCA Answer.

---

<sup>1</sup> See, *In Re: Application of NextEra Energy Transmission MidAtlantic, Inc., for approval to site and construct a 500 kV transmission line associated with the MidAtlantic Resiliency Link Project located in portions of Greene Cnty. and Fayette Cnty., Pa., Docket No. A-2026-3060856* (Opinion and Order entered June 1, 2026).

No legal authority was cited to support Transource PA's asserted procedural right to file a reply to OCA's Answer in Opposition.

The *July 2, 2026 Letter Request* also requested that the Commission publish notice of the Motion of Transource Pennsylvania, LLC to Consolidate Proceedings and for Timely Disposition, in the *Pennsylvania Bulletin* and direct Transource PA to publish the notice in newspapers of general circulation.

No legal authority was cited to support the request for the Commission to cause or direct publication of the Motion.

No notice to plead accompanied the *July 2, 2026 Letter Request*.

The culmination of these failures stripped actual and potential parties of their rights under Section 5.103(c), 52 Pa. Code § 5.103(c), to answer or object to Transource PA's: (1) assertion of its procedural right to file a reply to OCA's Answer in Opposition as a matter of course; or (2) request that its Motion to Consolidate and for Timely Disposition be published. In the *Pennsylvania Bulletin*.

#### *Disposition*

In sum, the *July 2, 2026 Letter Request* failed to conform to Commission rules and regulations yet sought to expand the litigant's own procedural rights. To cure these procedural missteps, it is appropriate to strike the *July 2, 2026 Letter* from the record.

#### ***Reply of Transource Pennsylvania, LLC to New Matter of Office of Consumer Advocate***

Here, Transource PA filed a Motion. Then, the OCA filed its Answer in Opposition to the Motion. Then, Transource PA filed a document entitled Reply of Transource Pennsylvania, LLC to New Matter of Office of Consumer Advocate.

Once more, pleadings allowed in an action before the Commission are limited to, in relevant part here: motions and responses to motions. 52 Pa. Code §§ 5.1(a)(6), 5.103(c).

Litigants cannot confer procedural rights upon themselves. Commission rules and regulations do not contemplate the procedural process Transource PA attempted here: motion, followed by a response to the motion, followed by a response to the response. Where the Commission's rules do not authorize an additional filing, the proper course is to file a motion for leave, not file first and presume the authority to do so.

As discussed herein, the OCA's Answer in Opposition did not amount to new matter. Labeling OCA's responsive pleading new matter in an effort to generate authority to file a response, dressed as a reply to new matter, exceeded the procedural process contemplated.

#### *Disposition*

To cure this procedural misstep, it is appropriate to strike from the record, the Reply of Transource Pennsylvania, LLC to New Matter of Office of Consumer Advocate, filed on July 15, 2026.

#### *Conclusion*

To cure the procedural deficiencies in the original notice of the Siting Application and Zoning Exemption Petition, provide additional time for Transource PA to effectuate proper newspaper notice, and allow time for all interested parties to receive and act upon such notice, the following order will be entered.
