RE: Financial Security Reduction Petition

Dear Mr. White:

On July 16, 2026, Champion Energy Services LLC filed a Financial Security Reduction Petition with the Pennsylvania Public Utility Commission (Commission) to reduce its bonding level from 10% to 5% of its most recent 4 quarters of revenue subject to the minimum of \$250,000, per the Commission's Orders entered July 24, 2014, at Docket No. M-2013-2393141 and September 20, 2018, at Docket No. P-2017-2608078.

In order for us to complete our analysis of your petition, the Energy Industry Group requires that Champion Energy Services LLC provide proof of its 2025/26 AEPS compliance email from the AEPS coordinator and proof that all Commission annual and supplement fees are up to date. Failure to respond timely may result in the filing being rejected.

If Champion Energy Services LLC has decided to withdraw its filing, please reply notifying the Commission of such a decision.

Finally, if any problems arise that prevent a full timely response or if any clarification of this letter is needed, please contact Stephen Jakab via e-mail at sjakab@pa.gov.

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is fluid and cursive, with the first name being the most prominent.
