PETITION TO JHJ CHILDCARE INC TO INTERVENE

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

I, Corey Wegerbauer, representative of JHJ CHILDCARE INC, ask the Pennsylvania Public Utility Commission to let me join this case, Docket No. A-2025-3054731, as a party. This case is about PECO Energy Company's plan to build a power line to a new data center near the Foote Mineral Co. Superfund Site in East Whiteland Township. I am asking to join under 52 Pa. Code §§ 5.72 and 5.73, the Commission's rules on intervening. Here is why:

1. Who I am and why this affects me

Our Child Care Center is at 9 South Bacton Hill Road, Malvern, PA 19355. My business is 363 feet to Foote Mineral Co. Superfund Site and 1802 Feet to the PECO substation.

This project could affect me because construction will disturb soil that EPA records show is contaminated, the potential pollution can risk the health of many children ages 6 weeks to 12 years old that play outside on the playground, and the work will happen right outside my property, I'm worried about dust, and noise.

2. Why I should be allowed to join this case

The Commission's rules let someone join a case if they have an interest that (a) could be directly affected and isn't already represented by someone else in the case, or (b) would be good for the public if they took part. Both apply to me. No one else in this case is speaking for my specific concerns as a nearby business owner, because I represent over 140 children and families that would be affected.

3. Where I stand on the issues

I support Julianna Ferris's request that the Commission pause construction and rescind its approval until the contamination concerns and proper due diligence on the environmental impact including the potential pollution risk the health of many children that play outside on the playground, dust pollution with contaminants, and understand the implications of the High Voltage Line Tap and the multiple gas lines and hazardous materials lines that are at the site are addressed.

I am filing this now, before the hearing is scheduled, and I will cooperate with the Commission's schedule.

For these reasons, I respectfully ask the Commission to grant this Petition and let me join Docket No. A-2025-3054731 as a party, with the right to submit evidence, ask questions at the hearing, and receive copies of everything filed in the case.

Respectfully submitted,

Corey Wegerbauer / JHJ Childcare Inc
