**Re: Duquesne Light Company Phase V Energy Efficiency and Conservation Plan
Docket No. M-2025-3057325**

Dear Secretary Homsher:

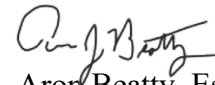

In compliance with the Secretarial Letter dated August 6, 2026, enclosed for filing on behalf of Duquesne Light Company ("Duquesne Light" or "Company") is its revised version of a Conservation Services Provider ("CSP") Agreement for Duquesne Light's Phase V Energy Efficiency and Conservation Plan ("Phase V EE&C Plan") programs. This CSP Agreement supports Duquesne Light's Plan V Plan in accordance with Act 129 of 2008 ("Act 129"), 66 Pa.C.S. §§2806.1 and 2806.2, and the Implementation Order issued on June 18, 2025 by the Pennsylvania Public Utility Commission ("Commission") in Docket No. M-2025-3052826.

The enclosed CSP Agreement is between Duquesne Light and Oracle America, Inc.. Pursuant to the CSP Agreement, Oracle America, Inc. will provide services regarding the implementation of Duquesne Light's EE/Conservation Plan as required by Act 129 and the Commission's Order. In its letter, the Commission asked if the references to the CSP Services Agreement contained in the original filing were to the DLC Standard CSP Services Agreement which has been replaced in this Contract by the Oracle Cloud Services Master Agreement. The references to the DLC Standard CSP Services Agreement were in error. A verified, corrected version of the Agreement removing and replacing the erroneous references is filed in this package. Please note that, in addition to revised PDF of the full Agreement, DLC is submitting a clean and redlined version of the Statement of Work in Word, for purposes of the Commission's review.

Please note that the CSP contains Confidential information, and Duquesne Light respectfully requests that the document be treated accordingly. The CSP has been marked as Confidential and is being sent to Secretary Homsher separately via electronic mail for filing under seal.

If you have any questions regarding the information in this filing, please feel free to contact me or Dave Defide at (412) 393-6107.

Respectfully Submitted,

Aron Beatty, Esquire
Regulatory Counsel IV
