RE: Bond Verification
Sprague Energy Solutions LLC
A-2015-2469110

Dear Ms. Murphy:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Sprague Energy Solutions LLC because it is **photocopy**, and not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a "wet ink" original signature or raised seal for the Surety company.

Please file the **originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Matthew L. Homsher
Secretary
