RE: Bond Rider
Interstate Gas Supply, Inc
A-2011-2228643

Dear Mr. Stewart:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Interstate Gas Supply, Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument lists an insufficient bond amount. The 5% filing should include a security level amount equal to 5% of the most recent reported 4 quarters of gross receipts (2Q26, 1Q26, 4Q25, and 3Q25).

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Matthew L. Homsher
Secretary
