**Re: Rulemaking to Further Amend the Provisions of 52 Pa. Code Chapter 56
Docket No. L-2025-3058767**

Dear Secretary Homsher:

UGI Utilities, Inc. – Gas Division and UGI Utilities, Inc. – Electric Division, (collectively “UGI”) submit this letter in support of the Comments submitted by the Energy Association of Pennsylvania in the above matter on this date. More specifically, UGI supports the Public Utility Commission’s (“Commission”) goal of reenacting the consumer protections in the former Chapter 14, 66 Pa. C.S. Ch. 14, into Chapter 56 of the Commission’s regulations, 52 Pa. Code Ch. 56, without material changes. Chapter 14 was enacted in 2004, and therefore, its protections and procedures are well established. Maintaining the provisions of Chapter 14, which sunset on December 31, 2024, by adding them to Chapter 56 provides utility companies and their customers with certainty regarding payment and collections practices, which serves the public interest.

Thank you for the opportunity to comment on this important topic.

Sincerely,

A handwritten signature in blue ink that reads "Candis A. Tunilo".
