

BEFORE THE PENNSYLVANIA PUBLIC UTILITY COMMISSION

Application of Transource Pennsylvania, LLC for All
Necessary Authority, Approvals and Certificate of
Public Convenience (CPC) to Begin to Offer, Render,
Furnish and/or Supply Transmission Service in
portions of Franklin County, Pennsylvania
Docket No. A-2026-3062675

PETITION TO INTERVENE OF Joel R. Mower, PRO SE
landowner Name
TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

Pursuant to 52 Pa. Code §§ 5.71-5.76, Joel R. Mower (hereinafter "Petitioner") hereby
landowner
files this formal Petition to Intervene, pro se, in the above-captioned proceeding, and in
support thereof respectfully represents:

1. The Petitioner is an individual property owner owning real estate located at
1063 MOWER Rd. The affected property is officially designated as Tax Parcel ID /

Official Tax Parcel ID
UPI: 09-0C18-029000000
UPI Identification

2. Service of all papers, dockets, and communications in this proceeding should be
directed to the Petitioner at the address listed above, or via email at 1974itbegins@gmail.com
email address

3. The Petitioner's interest in this proceeding is direct, substantial, and immediate. As a
landowner whose property sits directly within the path of the proposed infrastructure, the
Petitioner faces the immediate, concrete threat of eminent domain configurations should
this Certificate of Public Convenience (CPC) be granted. This unique property interest goes
beyond that of a general ratepayer and cannot be adequately represented by the Office of
Consumer Advocate.

4. The Petitioner objects to any corporate consolidation of this docket. Consistent with the
Commission's recent determination in the MARL Interlocutory Order (Docket No. A-2026-
3060856; June 1, 2026), a decision regarding the core CPC must be fully vetted and finally
decided before the Commission can consider the merits of any separate transmission line
siting or zoning applications.

5. The Petitioner will be directly, uniquely, and permanently bound by the final orders, actions, and any potential eminent domain authorizations issued by the Commission in this proceeding.

WHEREFORE, the Petitioner, Joel R. Mower pro se, respectfully requests that the
Name
honorable Pennsylvania Public Utility Commission grant this Petition to Intervene, and afford the Petitioner full active party status in all phases of discovery, evidentiary hearings, and final deliberations associated with this docket.

Respectfully submitted,
