Dear Ms. Carvalho:

On August 3, 2026, the Pennsylvania Public Utility Commission (Commission) received EAH Energy LLC's incomplete Application for a Natural Gas Supplier (NGS) license.

Sections 1.a-d, 2.a, b, and 7.a, b, of the Application were incomplete or not properly completed (Fictitious Name, Charter Documents, Bonding Letters). In order for the Commission to accept the Application for review, these deficiencies must be corrected. Failure to respond timely will result in the Application being deemed rejected[1] and the docket will be closed.

Please use the Commission's efiling system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efiling system and strongly recommends companies open an efiling account through the Commission's website at https://efiling.puc.pa.gov. Use of the efiling system will ensure that submissions by the company are received timely and receipt can be verified.

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's Share Point File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the Share Point File system. Make sure to reference the Docket Number listed above and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature.
