v.

Reynolds Disposal Company

Docket Nos.
R-2026-3064275
C-2026-3064620
C-2026-3064682

ORDER

BY THE COMMISSION:

On July 31, 2026, Reynolds Disposal Company (Reynolds Disposal), Utility Code 230380, filed Supplement No. 9 To Tariff Sewage - Pa P.U.C. No. 4 (Supplement No. 9) with the Pennsylvania Public Utility Commission (Commission) to become effective September 29, 2026. Supplement No. 9 would increase Reynolds Disposal's total annual operating revenues for wastewater service by approximately \$289,025, or 44.2%.

On August 20, 2026, the Office of Small Business Advocate filed a formal complaint at Docket No. C-2026-3064620. On August 21, 2026, the Office of Consumer Advocate filed a formal complaint at Docket No. C-2026-3064682. Pursuant to Section 1308(d) of the Pennsylvania Public Utility Code, 66 Pa.C.S. § 1308(d) (relating to general rate increases), the filing will be suspended by operation of law until April 29, 2027, unless permitted by Commission Order to become effective at an earlier date.

Further, to inform the Commission in reviewing this proposed rate increase, we direct that the presiding Administrative Law Judge(s) shall include in the Recommended Decision adjudicating any proposed full settlement for this filing, and the parties shall include in any proposed full settlement related thereto, the impacts the rates recommended for approval will have on Reynolds Disposal's customers. The rate impact information shall include the average bill impact for residential and commercial customers with the percentage increases compared to the rates in effect prior to the filing of the proposed tariff or tariff supplement.

Investigation and analysis of this proposed tariff supplement and the supporting data indicate that the proposed changes in rates, rules, and regulations may be unlawful, unjust, unreasonable, and contrary to public interest. It also appears that consideration should be given to the reasonableness of Reynolds Disposal's existing rates, rules, and regulations; **THEREFORE,**

IT IS ORDERED:

1. That an investigation on Commission motion be, and hereby is, instituted to determine the lawfulness, justness, and reasonableness of the rates, rules, and regulations contained in Reynolds Disposal Company's proposed Supplement No. 9 To Tariff Sewage - Pa P.U.C. No. 4.

2. That Reynolds Disposal Company's proposed Supplement No. 9 To Tariff Sewage - Pa P.U.C. No. 4 is suspended by operation of law until April 29, 2027, unless otherwise directed by Order of the Commission.

3. That within ten (10) days following the entry date of this Order, pursuant to 52 Pa. Code § 53.71, Reynolds Disposal Company shall efile (or file) a tariff supplement, which shall bear no effective date, with the Commission and post the tariff supplement at the offices of Reynolds Disposal Company announcing that the aforementioned tariff supplement is suspended until April 29, 2027. A sample copy of a suspension supplement is provided in Attachment A of this Order.

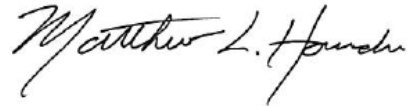

4. That the investigation instituted in Ordering Paragraph No. 1 of this Order shall include consideration of the lawfulness, justness, and reasonableness of the existing rates, rules, and regulations of Reynolds Disposal Company.

5. That this case be assigned to the Office of Administrative Law Judge for Alternative Dispute Resolution, if possible, and for the prompt scheduling of such hearings as may be necessary culminating in the issuance of a recommended decision.

6. That the presiding Administrative Law Judge(s) shall include in the Recommended Decision adjudicating any proposed full settlement for this filing, and the parties shall include in any proposed full settlement related thereto, the impacts the rates recommended for approval will have on Reynolds Disposal Company's customers. The rate impact information shall include the average bill impact for residential and commercial customers with the percentage increases compared to the rates in effect prior to the filing of the proposed tariff or tariff supplement.

7. That a copy of this Order shall be served upon Reynolds Disposal Company, the Commission's Bureau of Investigation and Enforcement, the Office of Consumer Advocate, the Office of Small Business Advocate, and any persons who have filed formal complaints against the proposed tariff supplement.
