Secretary's Bureau

Eric Niemeyer is a veteran of the energy industry with over 25 years of experience in the retail energy markets. Mr. Niemeyer holds a Bachelor of Business Administration Degree from Ohio University.

Mr. Niemeyer began his energy career back in 1995, with his employment with Enron Energy Services as the Director of Retail Energy Markets. While with Enron, Mr. Niemeyer was responsible for industrial, commercial, institutional, and government account acquisition and management for Enron's retail electricity and natural gas services throughout the United States.

After leaving Enron, Mr. Niemeyer joined Energy Gateway in 2002 where he was a Managing Partner & Vice President. Mr. Niemeyer was instrumental in helping to build the company and contributed to creating one of the very first online exchanges for electricity and natural gas

transactions. In 2007 Energy Gateway was acquired by World Energy Solutions. During his eight years at World Energy Solutions, Mr. Niemeyer was VP of Sales where he continued in developing relationships with his customers – some of whom he had worked with for over a decade and a half.

Mr. Niemeyer firmly believes in taking care of the customer which has translated into firm and longstanding relationships over the years. He has brought this same customer-centric approach with him in his role as Managing Partner and VP of Sales at EnerConnex.

Name: Brian Dafferner
Title: Managing Director
Email: bdafferner@enerconnex.com
Cell Phone: (713) 398-6166

Brian Dafferner, who is the Managing Director, is an established retail energy sales leader with over nineteen years of experience in the industry working in various roles for energy suppliers and brokerage firms. Helped found, build, oversee and eventually sell an energy brokerage company with over 10M in annual sales. Involved in energy procurement, efficiency, and sustainability services for large commercial and industrial customers since California deregulated in 1998.

Mr. Dafferner started his career within the retail energy sector in a sales role at Reliant Energy in 1998. After subsequent stops at Enron and Shell Trading, he helped to launch GSE Consulting in 2002 where he served as President for over nine years. GSE Consulting was eventually sold to World Energy Solutions in late 2011.

One of the founding members of TEPA (The Energy Professionals Association) formed in 2005, a 501 (c) organization specializing in providing market knowledge to energy consumers while upholding the integrity of the deregulated retail energy markets. Helped develop a standardized code of conduct and bylaws for member aggregators, brokers and consultants. Received a Bachelors in Business Administration at the University of Colorado in Boulder.

Name: Vitana Melesiute
Title: Managing Director
Email: vmelesiute@enerconnex.com
Cell Phone: (508) 612-5947

Vitana Melesiute is the Managing Director, and Ms. Melesiute is an established leader in the retail energy industry with more than 17 years of experience marketing energy commodity products and services to large C&I customers. She has worked with Fortune 500 companies in

developing customized strategies for energy procurement, demand side management, and energy efficiency planning and implementation.

Prior to joining EnerConnex, Ms. Melesiute worked in various roles at World Energy Solutions, a leading energy brokerage firm that pioneered the use of the auction platform. Since inception, she was an integral part of World Energy's evolution into one of the largest energy brokerage companies in the country. Ms. Melesiute was the first employee hired by the founder of World Energy Solutions and helped to build it into a publicly traded company with over 120 employees when it was sold to EnerNOC in 2015. Ms. Melesiute directed World Energy's new market entrance program, while transacting over 50 TWh in energy contracts for commercial, industrial, and government clients. Ms. Melesiute trained numerous sales and analyst personnel in the intricacies of the energy markets and the energy brokerage world. As a Market Director over the PJM, MISO, NYISO, CAISO and ERCOT markets, her extensive market expertise enabled her to drive customer success by taking advantage of market opportunities while advocating on behalf of the client. While with World Energy Solutions, Ms. Melesiute handled procurements for the State of Maryland (DGS), Montgomery County Public Schools, and Adventist Healthcare.

Name: Janet Loop

Title: Managing Director, Regulatory & Customer Service

Email: jloop@enerconnex.com

Cell Phone: (508) 769-4929

Janet Loop, who is the Managing Director, is an energy industry veteran with over 30 years of experience in the electricity and natural gas markets. She has been involved in utility rate/tariff design, energy efficiency implementation, de-regulation rule setting, regulatory compliance and most importantly electricity and natural gas procurement.

Ms. Loop began her career working for Boston Edison (now known as Eversource Energy) where she learned the intricacies of the retail energy markets including pricing design, regulatory compliance, energy efficiency programs along with the workings of unregulated subsidiaries. In 2001, she joined SmartEnergy, an electricity supply leader in the early days of deregulation. It was here that Ms. Loop became versed in electricity and natural gas procurement. In 2004, Ms. Loop joined World Energy Solutions as a Market Director. During her 12 years with World Energy Solutions, Ms. Loop procured energy for customers in the NY, New England, PJM, Texas and Canadian markets. She handled one of the largest back-office operations books in the industry while implementing proactive, educational, and customer-centric procurement practice. While with World Energy Solutions, Ms. Loop handled the electricity and natural gas procurements for the Commonwealth of MA, the Commonwealth of PA, and GSA's New

England and New York regions. In addition, her regulatory experience with Boston Edison allowed Ms. Loop to create all the regulatory filings needed for World Energy Solutions to obtain and maintain its broker licenses across multiple jurisdictions.

Ms. Loop holds a Bachelor of Science degree in Finance from Boston College and a Master of Business Administration, with a concentration in Management Information Systems, from Babson College.
