Re: Notice of Rate for Alternative Receipt Service, Interruptible Service Extra Large
Transportation - Rate IT-XLT; Docket No. R-2023-3037933

Dear Secretary Homsher:

Pursuant to the provisions of PGW's Tariff, Pa PUC No. 2, Page 158, the Philadelphia Gas Works ("PGW") is obligated to notify the Commission by September 15 of each year setting forth the rate that will apply to Alternative Receipt Service ("ARS"), Interruptible Service Extra Large Transportation - Rate IT-XLT. PGW's Tariff states that the rate for ARS shall be:

the greater of (1) average revenue per Dth received by the Company from all releases, excluding choice capacity releases and asset management agreement associated release, of recallable capacity on Texas Eastern Transmission ("TETCO") during PGW's prior fiscal year, which shall be annually updated by PGW with the Commission by September 15 of each year following; or (2) the max TETCO tariff rate.

Please be advised that the average revenue per Dth received by PGW from all applicable capacity releases and the TETCO max rate are as follows:

Average Capacity Release Revenue/Dth (FY 2026):	\$0.44/Dth
TETCO Max Rate:	\$0.6730/Dth ¹

¹ Rate as of September 15, 2026. Rate subject to change as TETCO Max Rate changes.

Accordingly, the ARS rate for the coming year will be the TETCO max rate as it is posted from time to time by TETCO.²

Copies of this letter are being served on all Parties to PGW's 2023 base rate case in accordance with the attached Certificate of Service.

If you have any questions or require additional information, please contact me.

Sincerely,

cc: Certificate of Service

² If the TETCO max rate as it is posted from time to time by TETCO falls below the average capacity release revenue as shown above then the rate will revert to that average capacity release revenue/Dth.
