RE: Bond Continuation
Big Bang Energy Group LLC
A-2018-3004325

Dear Ms. Parnes:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Big Bang Energy Group LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument lists a bond number that does not match the bond we have on file. As such, we cannot apply this Bond Continuation to the existing bond on file.

The enclosed financial instrument does not have a "wet ink" original signature or raised seal for the Surety company.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is fluid and cursive.

Matthew L. Homsher
Secretary
