RE: Continuous Bond
Crimson Power Solutions, LLC
A-2019-3007565

Dear Mr. Kelly:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Crimson Power Solutions, LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a "wet ink" original signature and raised seal for the Surety company.

Please file the **originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
Secretary
