**RE: Distribution System Improvement Charge
Effective October 1, 2026
M-2026-3065424**

Dear Mr. Brechlin:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 110 to Tariff Electric – Pa. P.U.C. No. 25 submitted on September 21, 2026 to become effective October 1, 2026.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) for the three-month period of October 1, 2026 through December 31, 2026 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2026-3065424.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
