RE: *Petition of FirstEnergy Pennsylvania Electric Company for Approval of Its Default Service Program for the Period from June 1, 2027 to May 31, 2031, Docket No. P-2026-3060298*

Dear Parties:

On August 21, 2026, the Commission entered a Recommended Decision in the above-referenced matter. Numerous parties have filed exceptions and reply exceptions to the Initial Decision. Because exceptions and reply exceptions have been filed, this matter is still currently pending before the Commission.

On September 29, 2026, the Commission received a letter from State Senator Gene Yaw. Senator Yaw's letter was addressed to Commission Chairman, Steven DeFrank, and the Commissioners of the Commission. Senator Yaw's letter contains statements and additional averments regarding the issues litigated in the above-referenced case.

Because the subject matter of Senator Yaw's letter concerns the merits of a contested matter still pending before the Commission for final consideration, Senator Yaw's letter constitutes an *ex parte* communication prohibited by Section 334(c) of the Pennsylvania Public Utility Code, 66 Pa.C.S. § 334(c). Accordingly, please be advised that, in order to cure the *ex parte* communication, I am placing Senator Yaw's Letter on the docket and serving a copy of this Secretarial Letter and Senator Yaw's letter on all the Parties of Record to this case.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
