Dear Gabrielle Mentink Carvalho:

We are pleased that EAH Energy LLC has applied for a license to provide natural gas services on Peoples Natural Gas Company LLC. Specifically you have requested to be licensed as a supplier on the distribution system of Peoples Natural Gas Company LLC.

Since EAH Energy LLC is not currently serving customers on the Peoples systems, we have determined at this time that EAH Energy LLC does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company's exposure to EAH Energy LLC's provision of services on the Peoples' system in the future, the Company may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6931 or by email at Carol.Scanlon@peoples-gas.com.

Sincerely,

Carol Scanlon
