Re: *Pa. PUC, et al., v. Pennsylvania-American Water Company*,
Docket Nos. R-2025-3057983, *et al.*

Unopposed Motion of Pennsylvania-American Water Company for Further Extension of Time to Respond to the Petition of Elizabeth Township for Rescission or Amendment of the Commission's Order, Temporary Rate Freeze, and *Nunc Pro Tunc* Relief.

TO ALL PARTIES:

This matter involves the Petition for Rescission or Amendment of the Commission's Order, Temporary Rate Freeze, and *Nunc Pro Tunc* Relief (Petition) filed by Elizabeth Township (Township) on September 14, 2026. It pertains to the Commission's Opinion and Order entered July 27, 2026, authorizing an annual revenue increase for Pennsylvania-American Water Company (PAWC) for its water and wastewater operations. Under 52 Pa. Code § 5.572, PAWC's Answer to the Petition was originally due on September 24, 2026.

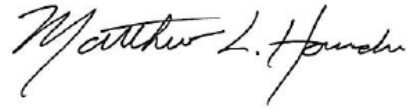

On September 22, 2026, PAWC filed an Unopposed Motion for an Extension of Time to Respond to the Petition (First Motion). PAWC submitted its First Motion pursuant to 52 Pa. Code § 1.15 and requested a 7-day extension of time to respond to the Petition. By Secretarial Letter issued on September 23, 2026, the Commission granted the First Motion and extended the answer period for the pending Petition by seven days until October 1, 2026.

On September 30, 2026, PAWC filed an Unopposed Motion for a Further Extension of Time to Respond to the Petition (Second Motion) seeking an additional 45-day extension of the time-period to respond to the Petition. In its Second Motion, PAWC submits that consistent with the Commission's policy promoting settlements under 52 Pa. Code § 5.231, PAWC and the Township actively engaged in discussions to address the issues raised in the Petition and have reached an agreement in principle.

According to PAWC, the requested 45-day extension would permit the Parties time to submit to the Commission, pursuant to 66 Pa.C.S. § 507, an agreement fully resolving the matter before additional Commission resources are expended. PAWC further asserts that the Township has authorized PAWC to represent that it does not oppose the requested extension.

In light of the averments set forth in the Second Motion and the lack of opposition to it, the Commission agrees that PAWC has demonstrated good cause for an extension of time to answer the Petition. Accordingly, the answer period for the pending Petition is hereby extended 45 days until November 16, 2026.

Sincerely,
