**Re: Notice of Acquisition for Sustainable Energy Services, LLC
(Dockets A-2017-2608070 and A-2019-3009128)**

To Whom It May Concern:

Pursuant to 52 Pa. Code § 54.34, Sustainable Energy Services, LLC (SES) hereby files this notice of acquisition with the Pennsylvania Public Utility Commission to provide an update related to its Electric Generation Supplier License and Natural Gas Supplier License. Effective September 1, 2026, SES' parent company completed an acquisition of a non-regulated energy consulting company not doing business in Pennsylvania. This acquisition does not impact SES' business or its ability to provide the services that it is licensed to provide in this State. The Company will continue to be operated as it has been since 2013, with day-to-day operations overseen by Managing Director Laura Zittnan Sherman. Additionally, this acquisition will not cause SES' Federal EIN to change.
