Re: Pennsylvania Public Utility Commission v. UGI Utilities, Inc. - Gas Division

Dear Attorney Lent:

By Order entered October 1, 2026, the Commission authorized UGI Utilities, Inc. - Gas Division (the Company) to file a tariff supplement attached as Appendix A to the Joint Petition for Approval of Settlement of All Issues filed in the above docketed rate investigation, designed to produce an increase in annual distribution rate revenue by \$65 million (or 5.3%) accomplished over two steps: \$40 million in step 1, effective October 1, 2026, and \$25 million in step 2, effective October 1, 2027. On October 1, 2026, the Company filed Supplement No. 69 to UGI Gas – Pa. P.U.C. No. 7 and 7S in compliance with the Order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 69 to UGI Gas – Pa. P.U.C. No. 7 and 7S is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Matthew L. Homsher
Secretary
