Re: National Fuel Gas Distribution Corporation;
Supplement No. 303 to Tariff Gas - Pa. PUC No. 9

Dear Ms. Hillery:

On September 30, 2026, National Fuel Gas Distribution Corporation (the Company) filed Supplement No. 303 to Tariff Gas - Pa. PUC No. 9 to become effective October 1, 2026. In accordance with Commission Orders Entered September 15, 2021 and February 24, 2022 at the above docket, refund rates under the Company's Rider I OPEB Temporary Surcredit are updated annually based upon annual forecasted volume projections. The instant filing resets the surcredit to zero as the 5-year passback period has concluded.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 303 to Tariff Gas - Pa. PUC No. 9 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Matthew L. Homsher
