Commissioners Present:

Stephen M. DeFrank, Chairman
Kimberly Barrow, Vice Chair
John F. Coleman, Jr.
Ralph V. Yanora
Kathryn L. Zerfuss

Letter Petition for Approval of two Members
to the Advisory Board of the Metropolitan Edison
Company/Pennsylvania Electric Company
Sustainable Energy Fund

M-2023-3041568

ORDER

BY THE COMMISSION:

Before the Commission is a letter from the Metropolitan Edison Company (Met-Ed)/Pennsylvania Electric Company (Penelec) Sustainable Energy Fund (Met-Ed/Penelec SEF) dated August 13, 2026, informing the Commission of the selection of one candidate to its Advisory Board and the transition of one at-large Advisory Board member to the environmental Advisory Board member position. Commission approval of the proposed Board members is required under the Met-Ed and Penelec restructuring settlement. *Applications of Metropolitan Edison Company and Pennsylvania Electric Company for Approval of its Restructuring Plan under Section 2806 of the Public Utility Code*, Docket Nos. R-00974008 and

R-00974009 (Order entered October 20,1998). Commission approval of the proposed Board members is also required by the Met-Ed/Penelec SEF's governing bylaws. *Metropolitan Edison Company and Pennsylvania Electric Company Sustainable Energy Fund Bylaws*, Docket Nos. R-00974008 and R-00974009 (Order entered April 27, 2000).

On October 20, 1998, at Docket Nos. R-00974008 and R-00974009, the Commission approved Joint Petitions for Full Settlement of the restructuring proceedings filed by Met-Ed and Penelec pursuant to the requirements of the Electricity Generation Customer Choice and Competition Act, 66 Pa. C.S. §§ 2801-2815. Among the provisions of the approved settlement was the establishment of a Sustainable Energy Fund to promote (1) the development and use of renewable energy and clean energy technologies, (2) energy conservation and efficiency, and (3) renewable business initiatives and projects that improve the environment in the companies' service territories. On June 4, 1999, the Commission approved the Advisory Board for the Met-Ed/Penelec SEF. On April 27, 2000, the Commission approved the bylaws for the Met-Ed/Penelec SEF. The approval of the bylaws allowed the Met-Ed/Penelec SEF to begin operations to promote the development of and use of renewable and clean energy technologies in Pennsylvania.

The Advisory Board of the Met-Ed/Penelec SEF voted unanimously on June 16, 2026, to approve the nomination of Mr. Jeremy Young to the Advisory Board. Mr. Young will fill the commercial consumer position on the Board. At the same meeting, the Advisory Board also voted unanimously to approve the transition of Mr. Brett Hollern from an at-large Advisory Board member to an environmental Advisory Board member.

Mr. Young is a Credit Analyst at Somerset Trust Company in Johnstown, PA and has more than a decade of experience working in consumer credit. The Advisory Board notes that Mr. Young's experience is relevant to the advisement of the fund in relation to financial lending. He holds a Bachelor of Science in Accounting from the University of Pittsburgh at Johnstown. Mr. Young is a resident of Johnstown, Pennsylvania.

Mr. Hollern is the Vice President for the western Pennsylvania central region of the Pennsylvania Environmental council. He has extensive experience planning, developing, and managing trails in Pennsylvania. Mr. Hollern graduated from Penn State University with a Bachelor of Science Degree in Recreation and Park Management. He serves on the Board of Directors of the Allegheny Trail Alliance and the September 11th National Memorial Trail. Mr. Hollern is a resident of State College, Pennsylvania.

In keeping with the intent of the *Best Practices for the Regional Sustainable Energy Funds: Guidelines for the Nomination, Election and Approval of Directors*, the Met-Ed/Penelec SEF sent out notice of the Advisory Board vacancy and put notice of the Advisory Board vacancy on their respective websites.

Based on a review of all relevant information, we find these nominees to be well-qualified to serve on the Advisory Board of the Met-Ed/Penelec SEF;
THEREFORE,

IT IS ORDERED:

1. That the nomination of Jeremy Young to the Advisory Board and the transition of Mr. Brett Hollern from an at-large Advisory Board member to an environmental Advisory Board member of the Metropolitan Edison Company/Pennsylvania Electric Company Sustainable Energy Fund are hereby approved.
2. That a copy of this Order be served on Jeremy Young, Brett Hollern, the Metropolitan Edison Company/Pennsylvania Electric Company Sustainable Energy Fund, the Bureau of Investigation and Enforcement, the Office of Consumer Advocate, and the Office of Small Business Advocate.
3. That this proceeding, at Docket No. M-2023- 3041568, be closed.

BY THE COMMISSION,

Matthew Homsher,
Secretary

(SEAL)

ORDER ADOPTED: October 22, 2026

ORDER ENTERED: October 22, 2026
