CORNING NY 14830

RE: Gas Cost Rate
Effective November 1, 2026
M-2026-3064679

Dear Mr. Lenns:

The Bureau of Audits has reviewed Pike County Light and Power Company's proposed Supplement No. 136 to Tariff Gas – Pa. P.U.C. No. 6 and the supporting rate computations submitted on October 1, 2026 and revised on October 9, 2026, to become effective on November 1, 2026.

Based upon staff review, it appears that the proposed Gas Cost Rate (GCR) for the twelve-month period of November 1, 2026, through October 31, 2027, is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The GCR is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2026-3064679.

Sincerely,

Matthew L. Homsher
Secretary
