Re: Periodic Review of the Pennsylvania-American Water Company-Wastewater Division's Long-Term Infrastructure Improvement Plan

Dear Erin K Fure.

On August 14, 2026, via Secretarial Letter, the Commission notified the Pennsylvania-American Water Company-Wastewater Division (PAWC-WD) that it was initiating the periodic review of PAWC-WD's Long-Term Infrastructure Improvement Plan (LTIIP).[1] On September 11, 2026, PAWC-WD filed for approval of a Modification of its LTIIP (Modified LTIIP) at Docket No. P-2023-3038874.

The Commission's review of PAWC-WD's Modified LTIIP, pursuant to 52 Pa. Code § 121.4, is more extensive than that required of a periodic review, which is outlined in 52 Pa. Code § 121.7. Therefore, in order to avoid duplicate proceedings and to reduce the administrative burden on PAWC-WD and any interested parties, the Commission through this Secretarial Letter shall close the periodic review of PAWC-WD's LTIIP. PAWC-WD's LTIIP will be reviewed for compliance and sufficiency through the Commission's proceeding for PAWC-WD's Modified LTIIP.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §5.44, file a petition with the Commission within 20 days of the date of this letter. If you have any questions on this matter, please contact Ken Shaffer of the Bureau of Technical Utility Services at kennshaffe@pa.gov, or 717-787-2359.

Sincerely,

Matthew L. Homsher
Secretary
