PETITION TO INTERVENE
OF AMAZON DATA SERVICES, INC.

Amazon Data Services, Inc. ("Amazon"), by counsel, pursuant to 52 Pa. Code § 5.71. *et. seq.,* files this Petition to Intervene ("Petition") in the above-captioned proceeding before the Pennsylvania Public Utility Commission ("Commission"). In support of this Petition, Amazon states as follows:

1. On September 14, 2026, PPL Electric Utilities Corporation ("PPL") filed a Petition for Approval of its Non-Bypassable Customer Protection Transmission Rider, Elimination if its Transmission Service Charge, Changes to its Generation Supply Charges, Changes to its Retail Tariff, Changes to its Electric Generation Supplier Coordination Tariff, Amendment of its Default Service Plan, and Any Necessary Waivers Of Commission Regulations ("Petition").

2. On September 28, 2026, the Commission issued a secretarial letter ordering potential parties to file Petitions to Intervene on or before, October 23, 2026.

3. Amazon is a subsidiary of Amazon.com, Inc. and an affiliate of Amazon Web Services, Inc. The principal office of Amazon Data Services is 410 Terry Avenue North, Seattle, WA 98109-5210.

4. Amazon owns and operates several cloud computing data centers in Pennsylvania, including in the PPL service territory.

5. The Commission's regulations allow intervention where a person has an interest in the proceeding which may be directly affected and which is not adequately represented by existing parties, and as to which the person may be bound by the action of the Commission in the proceeding. 52 Pa. Code § 5.72(a)(2). Intervention is also permitted where participation of person may be in the public interest. 52 Pa. Code § 5.72(a)(3). A "person" includes a corporation and an association. 52 Pa. Code § 1.8. 6.

6. Amazon meets the standards for intervention set forth in 52 Pa. Code § 5.72(a). Amazon has a direct and substantial interest in this proceeding because PPL's Petition and its outcome will directly impact Amazon's business, including the rates that Amazon pays to PPL as well as other terms and conditions of electricity service. By participating, Amazon seeks to protect those interests. No other party can adequately represent Amazon's interests in this proceeding.

7. Amazon is represented in the above-captioned matter by the following counsel:

9. Amazon submits that it meets the requirements of 52 Pa. Code § 5.72, as it will be governed by the Commission's action in this proceeding, and its interests are not currently and cannot be represented by any other party. As such, Amazon respectfully requests that its intervention be granted and that it be afforded full active party status in this proceeding.

WHEREFORE, Amazon respectfully requests that the Pennsylvania Public Utility Commission grant its Petition to Intervene in the above-captioned matter and afford Amazon full active party status throughout the pendency of this proceeding.
