**PREHEARING CONFERENCE MEMORANDUM OF**
**CITIZENS' ELECTRIC COMPANY OF LEWISBURG, PA**

---

Pursuant to the October 14, 2026, Prehearing Conference Order issued by Administrative Law Judges ("ALJs") John M. Coogan and Erin L. Gannon, Citizens' Electric Company of Lewisburg, PA ("Citizens'") hereby submits this Prehearing Memorandum in the above-captioned proceeding.

## I. HISTORY OF THE PROCEEDING

On September 14, 2026, PPL Electric Utilities Corporation ("PPL") filed a Petition with the Pennsylvania Public Utility Commission ("PUC" or "Commission") requesting approval of a new non-bypassable Customer Protection Transmission Rider ("CPTR") to recover Network Integration Transmission Service ("NITS") costs and certain other transmission costs, and to allocate to Rate LP-6

those costs that PPL would not have incurred but for the interconnection of large-load customers. PPL also proposes to consider utilizing the CPTR to assign to Rate LP-6 costs that PJM may impose for the Reliability Backstop Procurement ("RBP") and other programs undertaken to address the predicted influx of large-load customers.

On October 23, 2026, Citizens' filed its Petition to Intervene in the proceeding. Citizens' is a PUC-regulated electric distribution company ("EDC") that provides electric distribution and default services to retail customers in Lewisburg Borough, Buffalo Township, and East Buffalo Township, and in small portions of Kelly and West Buffalo Townships. Citizens' receives service from PPL's transmission system through a single 69 kV substation located in Lewisburg. Citizens' is a PJM Load Serving Entity ("LSE") for its default service customers, and pays the NITS and other PJM charges for the default service load, including Regional Transmission Expansion Plan ("RTEP") and Transmission Enhancement Charges ("TEC").

## II. SERVICE LIST

For purposes of service in the above–referenced docket, please direct all communications to:

Pamela C. Polacek (Pa. I.D. 78276)
C&T Enterprises, Inc.
P.O. Box 129
Venetia, PA 15367

717-503-6531 (mobile)
ppolacek@ctenterprises.org

Citizens' consents to electronic service, without the need for a hard copy by mail.

## III. ANTICIPATED ISSUES AND SUB-ISSUES

As set forth more fully in the Citizens' Petition to Intervene, Citizens' supports PPL's efforts to proactively address cost allocation for anticipated large-load customers. Citizens' will examine PPL's

proposals to determine how such efforts may beneficially impact the costs that Citizens' incurs as an LSE and passes through to its default service customers.

## IV. PROPOSED WITNESSES

Citizens' will evaluate whether to submit testimony in this matter after reviewing PPL's Direct Testimony and discovery responses. If Citizens' determines that testimony is appropriate, we will notify the parties of the witness and issues expeditiously after the determination is made.

## V. PROPOSED SCHEDULE AND DISCOVERY RULES

Citizens' agrees with the schedule that PPL has proposed. Citizens' will cooperate with the parties to agree to appropriate modifications to the Commission's standard discovery rules. Citizens' does not oppose consolidation of this proceeding with *Office of Consumer Advocate v. PPL Electric Utilities Corp.*, Docket No. C-2026-3065756.

## VI. POSSIBILITY OF SETTLEMENT

Citizens' is willing to participate in settlement discussions with the other parties to amicably resolve the issues in this proceeding, subject to Commission approval.

Respectfully submitted,

Pamela C. Polacek
